Morning everyone I glad to be here and super glad we have quorum. I am sorry that once again I have to apologize for not getting the minutes out in a timely manner I do promise to do better this coming cycle. And of course my same old same old speech: when I send around the contact list please verify your personal and area's information. If it is incorrect going forward that is on you.
Thanks for letting keep coming back, Linda

- D. **JULY SECRETARY:** OPEN

- E. **TREASURER:** Rich M

Financial Summary:

Starting Balance for last Cycle	\$7,332.21
Income Last Cycle	+\$1,359.53
Expenses Last Cycle	-\$2,134.47
Ending Balance for last Cycle (Starting Balance this Cycle):	\$6,422.16
Deposits since last meeting:	+\$1,236.41
Current Checking Account Balance:	\$7,658.60

General Summary:

- ?? The Hallo Communications (Phone Line) bill is currently being charged to an individual addict's charge card. The credit card billing was done when the original billing for the service was set up. Since the bill comes in every month the addict has to pay the bill each month and submit for reimbursements every 2 months. I contacted Hallo Communications and determined we can now setup the billing such that the bill will be paid directly from the checking account each month eliminating the need for an addict to pay the bill with their personal funds and wait to get their money back. It is my recommendation that we proceed with this change. A motion will follow.
- ?? I am still not a signer on the checking account. To minimize the number of changes to the account

signers, I was waiting for the new Alt Facilitator position to be filled this meeting so all the signer changes could be done at once.

?? The outstanding funds from the previous Functions Chair still has not been deposited or given to the treasurer. I have been told the money was given to another addict for deposit by previous Functions Chair and the other addict failed to make the deposit and has not been seen again. I was told the previous Functions Chair was going to make up the lost funds but it has not happened yet.

?? The last two donations to NAWS were sent in one envelope. The larger of the 2 checks (\$3,006.33) was never deposited. I contacted NAWS about the donation check not being cashed. I was told that they do not hold checks or original mailings. Therefore they must have missed the second check in the envelope and the \$3,006.33 was apparently destroyed. Therefore, I plan to void the original check in the account and send a replacement with this cycles donation.

Motion: Request approval to setup the Hallo Communications billing for the Phone Line to be directly debited from the checking account.

In Loving Service, Richard M

F. VICE-TREASURER: Debbie H

7th tradition was \$25.52 counted by myself & Bob (facilitator) filling in as vice facilitator. I don't have a lot to say. Richard has everything moving along perfectly. November is my last cycle as vice treasurer. I am already missing region. These last 4 years has been a wonderful adventure in service. If anyone is interested in a group picture for my scrapbook. I brought my camera!

My plate has been too full for many years so I will not be taking any other positions here and will go into service retirement for a while. I am not gone forever someday I might come back to region, who knows.

Love to all Debbie H

G. REGIONAL DELEGATE: Chris K

Dear Family, You may notice by our absence that we're not there. On July 30, we received notification that the NAWS Service System Workshop would be held this weekend in Detroit. Logistics and physics just do not support being in 2 places at once. So, here we are in Detroit.

The outcome of this Service System Workshop will very likely impact our plans for the next several MZF meetings. It's important that our Region be represented. We have been invited to have that next meeting at GIRCNA in Peoria on, yeah, you guessed it, November 19-21, our November RSC weekend.

The most logical plan would be for Chris to attend the MZF and Bill will attend the RSC. Chris lives much nearer to Peoria, and Bill lives in Milwaukee. The Delegate team is asking that the round table topic be on the Service System. WB member Mark H. has agreed to help facilitate the discussion. Mark is a member of the Service System work group.

On August 25, we received an update from NAWS. The board is asking for input on these proposals by December 31, 2010. There is an online form to submit input on the service system webpage:

www.na.org/servicesystem, and you can download a hard copy of the input form in case you want to use it at your local workshops and mail your results. This doesn't leave us much time. We can facilitate workshops at your Area upon request, but time is short.

While we considered splitting the team for this weekend, the practical reality is that we both need to be at the Service System Workshop. The quality of the information we can present to the Region will directly impact the discussions we hope you will engage in your Areas. We can both assist your Areas with your discussions.

Time is short. The proposals and options are, to say the least, controversial, and will spark very dynamic discussion and differing points of view. Our input is vital to the eventual outcome. The World Board will be collecting our input and a proposal will be put into the CAR next year. We would do well to schedule workshops after the CAR is published to discuss the "final" proposal.

So, the MZF planning meeting will be on November 19-21 at GIRCNA in Peoria, IL. We are asking for funding for one (1) Delegate (Chris) to attend. Costs would be as follows;

Hotel 2 nights @ \$99+tax= (appx.) \$220

Mileage: 282 miles @ \$0.25 per mile = \$70.50

Per Diem @ \$30 per day = @90

Total = \$380.50

Thanks for letting us serve, Chris K & Bill O

H. REGIONAL DELEGATE ALTERNATE: Bill O

Personal note from Bill: I am truly disappointed that I am not there with you today. The WRSC is my "home away from home group". Today, September 18, is my 10th Anniversary. I was hoping to celebrate it with all of you who helped make it possible. This weekend is also the 7th Anniversary of my first election as Regional PR Chair. It's hard for me to believe that I have been serving the Region for 7 years. You all have my undying love and gratitude for all you have done for me over the years. You have been patient, understanding, nurturing, loving, and kind. You have been gentle when possible, and tough when needed. You have always been honest with me. You told me the truth, even when I didn't want to hear it. You inspired me to grow, learn, and serve. You have invested in me with your confidence, faith, and trust. You taught me principles in service that I would not have learned elsewhere. I would not be who I have become without you. (Credit or blame, your choice) I have experienced growth that I could not imagine. I thank you again for another opportunity to serve. My absence this weekend is tribute to the power of Narcotics Anonymous, the 12 Steps, Traditions, and Concepts, a loving Higher Power, a great sponsor, and all of you. I'll see you all in November in Milwaukee.

AREA REPORTS:

- A. **BADGERLAND:** Mark N RCM
Absent
- B. **BASIC:** INACTIVE
- C. **BIG RIVERS:** Becky A RCM, Jeff RCMA
BRASC is changing their area to bi-monthly meetings starting next calendar year. In our area a group "It Works" is putting on a learning day about service on Saturday October 16th at Coulee Council in LaCrosse WI. The discussion topics is newcomer, building strong homegroups, leadership and GSR with a pot luck dinner, speaker meeting with a dance to follow.
- D. **CHIPPEWA VALLEY:** Steve H RCM
Absent but report sent and read on floor
I am absent: NA meeting attendance has increased recently. The groups in our area are doing well and growing in the spirit of purpose and unity. The identity statement seems to be taking hold as there are less 'addict/andas'. The Chippewa Valley Area continues to consistently hold constructive and productive service committee and sub-committee meetings. GSR's and elected officials submit thorough and informative written reports, relevant to their positions. The minutes are compiled rapidly and electronically distributed. Hard copies are available at the following month's meeting. We have engaged in study, discussion, and application of the twelve traditions for our groups with an emphasis on "Robert's rules of order" for proper procedure in the conduct of area service. Area committee policies have also been revised. Concerns have been raised respecting adherence to the traditions. 4th tradition 'Autonomy' is compromised if a facility where a non-H&I meeting is held exerts governance over a group by restricting how the group is run and who can attend. 7th tradition issues have been addressed if a facility does not charge a fee for use of their property. We have also been concerned with accident liability and request information about what area activities are covered by the WRSC's blanket liability insurance policy. During the last cycle we have been in communication with Big Rivers regarding a service work 'learning day'

for our area. CVA requests that regional activities subcommittee sponsor and help to coordinate this function. Perhaps these workshops could be held in Eau Claire sometime this winter. Also we have reviewed the guidelines for hosting a regional conference and it would be a privilege to do so when CVA comes into rotation. We look forward to the opportunity.

The situation with our area website has been resolved; the site and the domain address will remain the same; CVANA.ORG. We have employed a special worker to provide web hosting services for a reasonable annual fee. With regard to the CVA help line 1-888-543-0924; we ask that the live addict option be removed from the menu and that the cell phone be disconnected.

As to the issue of social networking on face book and personal anonymity; GSR's have been advised to bring this conundrum to the groups for discussion and consensus so that we may form an area conscience on the matter; in order to assist the regional committee in resolution.

Thank you in service: Jeffrey S H

E. **INLAND LAKES:** Tim Shears RCM

Although our area is strong we are lacking connectivity for service. We did a 4th step inventory and will work on it next area. With over 35 meeting in the area only 16 show consistently to area. We have two upcoming events on Halloween & New Years Eve.

F. **INNER CITY:** INACTIVE

G. **KETTLE MORAINE:** OPEN RCM

Absent

H. **MILWAUKEE:** Jack M RCM, Willie M RCMA

My name is Willie M I am an addict RCMA. Our RCM could not attend WRSC this cycle due to prior commitment. MASC is hosting WRSC next cycle. Flyers are on the table. However speaker & Mystery function date is incorrect which reads Nov 21 7:30pm and should read Nov 20 7:30pm. Also MASC is requesting the round table topic be Service System Project, due to the time window of the end of the year. Our RDA is in Detroit will be here next cycle for the round table with lots of information for ZF. I failed to ask for donation from MASC, will seek to better my services to both body.

Thank you in Loving Service Willie M

I. **NORTH CENTRAL:** Nancy K RCM

Absent

J. **NORTHEAST:** Des W RCMA, David J RCMA

Hello Region, Due to work related issues I'm not able to attend this time. Please welcome Dave J. our RCMA from the NEW area. I know he will be rowdy as ever and will fit right in. Just kick him once or twice to get him jump-started. In other news, our area had a great time with blues on the bay. Attendance was down slightly but addicts stayed clean and we all had a great deal of fun and fellowship. Coming up in November our annual "Project Freedom" Function is sure to be a success. We would welcome any help from the region we can get for this function if the region is interested.

Our area would like to have a delegate, RD/RDA, come down and explain to us what went down at the MZF in regards to restructuring of the geographical location of the US. If that happened at all the meeting that is. Well not much else happening here looking forward to WSNAC in October. Hope to see you there.

ADD: we have changed our area meeting from Oconto to Green Bay. Also as far as a re-vote on the Naranon issue. We have voted yes to putting it on the Regional List (as long as the wording is correct) as far as Des goes he's passing out hotdogs at the Packer game (is that work?)

In Loving Service, Des

K. **NORTHERN LIGHTS:** INACTIVE

L. **ROCK RIVER:** Nancy M RCM, George D RCMA

First I would like to thank the Upper Peninsula Area for hosting Region this weekend. Second, I would like to introduce our new RCMA, George D.

Now for the RRAGS Area Report:

We have an average of 16 groups out of 22 at our Area meetings. All of our positions are filled and all our sub-committees have been busy doing their jobs. PR is hard at work at getting into more institutions and answering their questions. They have come up with a conclusion about Facebook....Nothing pertaining to RRAGS Area NA should be on Facebook. H & I has held a couple of workshops which were fairly attended. They are busy getting more people involved in doing H & I service work. Policy and Procedure is busy updating our policy packet. Functions, our Area picnic were a huge success with over 200 addicts in attendance. Our next function will be at Halloween. Literature Review, the next review session will be Oct. 1, 2010 to Dec. 1, 2010 on chapters 6 and 7. They are in the planning stages for having some workshops. Archives have had a scanner donated and the chairperson has been busy scanning old paperwork into the computer.

Our Convention committee has selected our theme and logo for our next convention in 2011 it is "No strings attached." This will be our 20th Area convention. We will have registrations at the next Region.

RRAGS Area would like to the Winter Ball. The members seemed to be very excited about possibly being able to host this function. Our coffee pots are full and recovery is happening!

In loving service, Nancy M., RCM

M. SCENIC BLUFFS: Curt P RCM

Hi everyone Thanks U.P. for hosting. We had 4 out of 8 GSR's at last ASC. We elected new area chair Mike F and a new RCM Curt P. Activities had issues trying to post flyers as the calendar was blocked. The Sept WRSC flyer was taken down before Sept WRSC was called to order. We are looking forward to having WSNAC in our backyard, hope to see everyone there. Cold Turkey is once again coming up in November as always the Saturday after Thanksgiving show up and chow with us in recovery.

In Service Curt P

N. SOUTHEAST FAMILY: Jeff P RCM

Hi family, First off I want to apologize for not being able to attend tis cycle. Our area and my personal finances couldn't handle it. Good news from our only summer function, " a unity picnic " on Aug. 8 was somewhat well attended and had great food and fantastic speakers. Our last area meeting on Sept.12 was again poorly attended, 9 out of 21 g.s.r.'s were there. We are also struggling again to keep our positions filled.We got news that our unity& activities and our outreach rep's have both stepped down. I have no more news about the Kenosha or Racine prison meetings. Our communications with the people in charge seems to have broken down.

I do have better news from our new meeting in Burlington Wi. "I can't, We can, for freedom". They have had up to 15 people in attendance, and no one has tried to dictate rules to them. Area addicts have helped guide them to a point where they are starting to grow on there own ,God willing this will con't. News from other meetings we'll have to wait and see, hope to have more next cycle.

Our area has made a 100.00 donation to region, I'll be mailing this to our regional treasurer.

In loving service, Jeff P

O. WASHINGTON OZAUKEE COUNTY: Larry T RCM

Report read on floor, not turned in for minutes

P. WOODS & WATERS: Frank W RCM

Hi family Thank you U.P. area hosting this cycle. It is very good being here in the U.P. The last cycle in our area has been interesting. We had a very good turnout for our last area service meeting. We discussed at length the topic of Internet and all agreed it has been very harmful and also agreed it is a violation of the 11th Tradition. All of our service positions are currently filled. Our next function and area service committee will meet in Lake Thomahawk and will have a dance to follow flyers are available.

Thank you for allowing me to serve Frank W

Q. UPPER PENINSALA: Pat C RCM, Elaine E RCMA

Hello Region, First of all I would like to thank the WRSC for allowing the UP region to host region for the second year. I would also like to thank everyone for attending. Their has been a lot going on in our area lately that I would like to share with this body.

Activities: Earlier this month the UP area held our first annual Spiritual Reflections retreat. The weekend went very well. Thirty-two addicts showed up for the retreat and we all had a great time. We are already working on a date for next year. We still have a few sweatshirts and tshirts left over from the event and will be selling

them tonight at the function. Speaking of the function tonight; we will be hosting a game night and speaker here tonight with a spaghetti dinner starting it all off at 7:00 pm. There will be auction items and a 50/50 raffle at the event also. There are flyers out on the table for our 2nd annual "Dance the Fright Away" Halloween dance in Escanaba, MI.

Hospitals and Institutions: Our area is still working on trying to get meetings inside the walls of hospitals and institutions. We have ran in to a couple of road blocks in some institutions in regards to meeting the criteria for addicts to chair the meetings. Because of the problems we are having with getting an actual addict inside we have discussed hosting an H & I function to raise money to literature. I know from my personal experience inside institutions that in the absence of a member of Narcotics Anonymous the Basic text is an addicts best friend.

Policy and Procedure: We have finished our first rough draft of the Upper Peninsula Narcotics Anonymous Area Service Committee Guidelines! These guidelines are a work in progress, just like all guidelines but it is a big step in the right direction.

Guidance for our Area: At our last two ASC meetings topics have risen that we wish to here input from the WRSC on. The first is on the phonenumber. A group in our area has requested that we look into getting a "live addict on the other end" of that phone line. The other topic was brought up to me by another addict. One of our closed meetings has voted to not allow children at their meetings. I would like to request that these topics be placed on the board for discussion/input.

I am pleased to report that we will be making a donation to region of \$200.00 to region and \$100.00 to NAWS.

On a not so positive note life caught up with me over the past two months, and I completely forgot until last week that I was supposed to be working on the meeting lists with Bill. I apologize for this, and will contact Bill regarding it. I think that is all that I have to report at this time. I hope everyone enjoys their stay in the UP.

In your Service, Patrick
