**VICE-FACILITATOR: OPEN POSITION**

**SECRETARY: Nancy M.** I am passing the contact list around, please look over the information and make any changes or corrections that are needed. I would appreciate it if you would e-mail me or hand me your reports before the end of this Region. In loving service, Nancy M.

**TREASURER: Becky E.**

**Report Attached.** Treasurer informed this body that they are still waiting on the activities chair to turn in money and receipts for the function held. There was a question asked about why there were 4 checks made out to the MZF with the same date. These checks were replacement checks that needed to be written to the MZF for checks that were not cashed in a timely fashion from the MZF and that it took us a little while to get them the checks. Discussion was held on this matter.

**VICE-TREASURER: Rod D.** Nothing to report at this time.

**REGIONAL DELEGATE: Chris K.** Hello family the RD team is happy to be here and together again. A big thank you to KMA for hosting this cycle. I will be covering what happened at the MZF this last cycle, Bill will be covering what's happening at the world level.

The MZF was held in Rockford, IL with good attendance missing only the Minnesota and Greater Illinois Regions. This was the planning session. The next Midwest zonal forum will be in the Chicago land Region at CRC January 3-6, 2013. At this zonal they hope to get world board members for an update on

[Type text]

the SSP, and trial runs that is happening and information on how to implement the service system proposal. And any information about success and/or failures that other regions have faced in starting to implement the service system proposal.

After Chicago land the next Midwest zonal is tentatively planned to be held at the greater Illinois regional convention. Location and date still unknown, the zone was waiting to hear from the greater Illinois RD. Last zonal we had planned for the cycle will be held in Michigan late 2013 for the cat/car review.

There was much discussion on whether or not the treasurer should be removed due to incompetence and neglect of their position. There was much debate on whether or not we've had a clear treasurer's report with bank statements and a matching treasurer's report in the last eight months to year. The treasurer apologized and asked for more time to make things right. The vote was taken to remove here, but there was strong opposition to the vote. The RD from Ohio the current treasurer and former member of the Midwest zonal form will be having an audit, and getting things set up with the credit union so that on line bank statements can be accessed. The election for treasurer will be at the next zonal.

The MZF does not have a secretary at this time there has been someone filling in as the secretary and was interested in the position but did not meet the clean time requirements. They will have the requirements met at the next MZF, and are willing to run for the position. John F. from North Dakota was reelected as co-facilitator.

**REGIONAL DELEGATE ALTERNATE: Bill O.** Dear Family,

Many thanks to the KMA Area for hosting this WRSC. It is a pleasure to be here.

Since the World Service Conference, the World Board has been busy. They had a meeting in July and have since sent out several things of note. The first is the newest version of the NA Intellectual Property Trust. The Fellowship Intellectual Property Trust is the legal document that protects all of our literature from any copyright infringement. It secures ownership of our literature to the Fellowship at large. That means us. We put that literature in trust to the BoD. Their job is to maintain that trust. In it is contained the latest updates of the decisions made at the WSC last April concerning the BoD's ability to make "non-substantive corrections" to existing literature. This was passed by a 2 thirds majority of the WSC. Also is the BoD's ability to bundle various pieces of our literature and provide it to our members. The most widely used example of this is the 4<sup>th</sup> Step materials. (Full explanation if asked) In addition, we may now also look forward to electronic, digitally enhanced versions of our literature.

The new book "Living Clean, The Journey Continues" should be available soon for a cost of \$8.75 in either hard cover or soft. Check with the Wisconsin Service Office. A limited numbered commemorative edition will be released in December priced at \$30. (Does anyone remember the limited edition of the new 6<sup>th</sup> edition Basic Text?) The new "Guide to World Service" is also now available. This is the guidebook to the World Service Conference. It explains the operational rules and how business is to be conducted at the next World Service Conference. You can download it from the World Service website. More news from NAWS. They will have an (unenhanced) electronic version of the Basic Text available by the end of September at a cost of \$8.90. *Sponsorship* and *It Works* are in the works for electronic publication. They will be available for sale on Amazon and the iTunes store with links on our website. They also now have a mobile friendly version of the website. Check it out! They will have a free smart phone app for finding a meeting and receiving *Just for Today* readings released at the same time. They will eblast those who have subscriptions to the daily *JFT* posting and/or NAWS Updates when they are available.

There is a new online discussion board on the NA World website. It is dedicated to discussion among WSC Conference Participants only. It is accessible only to conference participants. That means only

[Type text]

RD's and RDA's. This was done so that we may have a forum to exchange ideas without the outside influence of people who might take peoples' ideas out of context and post them elsewhere. It is not meant to be secret, only private. I will gladly make you aware of anything of note that may be discussed. There are many issues currently being discussed, mainly the Service System Project. We should have our own discussions about the SSP to determine how we can apply the concepts expressed in the SSP. Some Areas are already incorporating some aspects of the SSP into their structure, but we may want to discuss how it may affect us as a Region. One of the discussion topics is how Zonal Forums may be utilized in the future.

The United States Service Conference (USSC) is scheduled to meet in Utah in October on the same weekend as WSNAC. If you wish to send me to this meeting, the cost will be about \$500. Airfare is about \$360, ground transportation about \$60, and per diem of 3 days, \$90.

The next Midwest Zonal Forum meeting is scheduled for January of 2013 at the Chicago land Regional Convention. (CRC) Their hope is to have World Board members attend to present a workshop on the SSP.

"We are actively soliciting communities who want to test any components of the proposed system – GSUs, LSUs, etc. The more help we can have translating the ideas in the proposals to actual practice on a local level, the easier it will be for us to frame a transition plan to present at WSC 2014. If you are interested in working with us to "field test" the thoughts and ideas please contact [worldboard@na.org](mailto:worldboard@na.org). This is a "together we can" project and we hope you will help us take these ideas off the drawing board and into real life. Updates will be posted online as they are available: [www.na.org/servicesystem](http://www.na.org/servicesystem)."

Our other upcoming projects for this cycle, framing a Traditions Book plan, and review of *An Introduction to NA Meetings* will not begin until later this year. Information will be sent out following our October meeting. As usual, NAWS News would not be complete without an appeal for the members, Areas, and Regions to contribute financially to the cause. I have a printed copy and it is also available at [www.na.org](http://www.na.org).

This is a lot to digest, and I welcome your questions.

In Loving Service, Bill O.

We had our ASC on August 11, 2012.

7 of 13 Groups were present

The following people volunteered and were subsequently appointed by the facilitator without objection to vacant area trusted servant positions pending annual nominations in October and elections in December.

BRASC Secretary: Cyndi G.

PR Chair: Erin J.

Campout Ad-hoc: Dean H.

RCMA: Harold L.

The Activities Subcommittee is active; however, they do not have a Chairperson. Activities is currently working on upcoming events including a Homecoming dance in October, roller skating at High Rollers in November, and a New Year's dance in December.

The H & I subcommittee has active participation and leadership. The subcommittee is continuing to make meetings available to treatment centers and correctional institutions in the Big Rivers Area.

The PR Chair is working with experienced past and present PR members to become familiar with PR in the Big Rivers Area. The subcommittee will soon be informing the outside community of the existence of the worldwide fellowship of NA as a viable and proven means of recovery from active addiction.

The Let Loose Campout is being overseen by an Ad-hoc Committee. They have been active in making this Campout a success. Again, the campout is this weekend.

Our current secretary is working on becoming familiar with their duties. She hopes to continue being of service to our area.

I have been appointed RCMA by the Area Facilitator. I hope to be formally nominated and elected to the RCM position in the future. Our current RCM and I have worked together to secured a hotel with a conference room for the November RSC. 2 Sloppy Joes

Dinner salad with dressing

Desert

Kool-Aid or Water

Finally, an "Inventory Ad-hoc Committee" was appointed to start the process of conducting an area inventory in early 2013. The Ad-hoc will present their recommendations at the October ASC. More will be revealed.....

**KETTLE MORAINÉ: Steve M RCM,** Hello from KMA not much to report. We have had trouble getting groups to send GSR's to Area. **NORTHEAST: Trish C. RCM, Allyn S. RCMA** Hello family, Our donation to region was \$36.71 and all Area positions are filled. The North East is doing well; the disease has taken 2 members of our community in the past month, which has impacted our Area. Through their deaths our Area has come together, and everybody has stepped up their programs. There is a lot of strong unity within our Area right now. We have 2 new morning weekend meetings in Green Bay. The 10 am Sat. at the Bridge and the 10:30 am Sun at United Methodist Church. We recently hosted the NA Olympics Regional function at Pamperin Park in Green Bay. It was a great turnout 4 different Areas came together that day, there was lots of unity. Upcoming functions in our area are Project Freedom November 10, at Calvary Lutheran Church, this is our H & I function. Then December 31<sup>st</sup> is our New Year's Eve Dance at Calvary Lutheran Church. In February we have our Chili Cook off, we still need to set a date we will continue to have it at the Bridge facility in Green Bay. The flyer will be out soon. H & I has started a men's meeting in the Brown City Jail. Our PR committee has finally got the guidelines done and approved; we've been working on this for 2 years, so finally getting them passed has been huge. I love our Area and Region, I am grateful that I can be of service. New meeting Tues. 6 pm Peshtigo Faith Baptist Church. In loving service, Allyn S.

**ROCK RIVER: Rich M RCM** Donation to Region: \$565.73, Open positions PR, RCMA, Convention Vice Treasurer. RRAGS supports the USSC and would support WRSC joining/supporting this new NA Service Body. In loving service, Rich M.

**SCENIC BLUFFS: Inactive**

**SOUTHEAST FAMILY: Timmer W RCM** Absent, no report submitted

**UPPER PENINSULA: Lynn D RCM** Hi Family,

We received an invitation to have a table at a Wellness Fair that is sponsored by the Substance Abuse Coalition in Marquette County to be held at K.I. Sawyer on Sept. 22, although we do not currently have a PR chair, 2 members stepped up and said they would attend so at our Area service we filled a box full of IP's that we had in our literature stock to have for the information table.

Our H&I is still doing a weekly in house meeting at the residential treatment center in Marquette and that is staying strong in carrying the message of Narcotics Anonymous.

We had our first UPNA campout on the weekend of August 17, 18 and 19 that was a success. We were able to carry the message of recovery within our young area and even made a small profit doing it. We are planning to make this an annual event and are looking to reserve the camp ground for next year so we can get flyers out early.

Our next upcoming function is our 'Dance the Fright Away' Halloween dance – held at the Delta Drop In Center in Escanaba, MI on November 3. We brought limited number flyers that are available for RCMs to please take back to their groups.

As we stated earlier, we are having difficulty with attendance in our area. The committed members that we do have are often holding multiple service positions. We have had to close our Saturday night meeting in Marquette due to addicts not having either the willingness or the clean time to open the meeting. We have also changed the Friday night meeting in Marquette time to 7:30pm beginning on October 1, 2012. We currently don't really know what is going on in Iron Mountain since the committed member over there moved to a different Area. We believe they are down to 2 meetings a week. Escanaba groups have shrunk a little also and I am looking for some outreach to these groups.

[Type text]

Our phone line recording is still messed up. I had emailed the web servant about this and did not get a response, so if anyone has a phone number or email address of the correct person to contact for this, so we can get this straightened out.

I was not here last cycle in July but we had mailed our donation of \$346.73, but we do not have a donation this cycle.

The UPNA is in support of the USSC.

So overall, we are holding it together. We will just keep doing what we can to carry the message to the addict that still suffers and is looking for a new way to live.

Thank you for allowing me to serve.

Lynn RCM, Elissa RCMA

## **ROUND TABLE DISCUSSION: GSR's not traveling to Area.**

Why wouldn't they want to travel to other towns?

-People not showing up at Group Service meetings...why does the GSR need to go to Area?

-Self-centeredness, just doesn't want to do it, self-absorbed.

-Cost of gas.

-Laziness.

-Lack of knowledge.

[Type text]

- Burn out.
- Since when does an addict do anything until the pain gets great?
- What are the clean time requirements?
- Lack of training.
- No Mentorship.
- Lack of sponsorship follow through with teaching 12 Traditions and 12 Concepts.
- No Sponsor

### **Solutions:**

- Sponsorship
- Mentorship
- Workshops on Service
- Explain what's expected of a GSR.
- Training on Service.
- Once a month topic at a recovery meeting on Service have person currently holding that position to be a lead in speaker.
- Make an IP on Service.
- Bribery...with food during a workshop or when you hold Area.
- Shock therapy...based on what you're dealing with like disband Area if the GSR's aren't showing up then maybe the groups don't need Area Service.
- GSR orientation time at Area.
- Does the Home Group know that their GSR isn't showing up at Area?
- Travel issue...skype/carpool.
- Lead by example
- Perhaps become two Areas.
- Take away the fear.

### **SUBCOMMITTEE / ADHOC REPORTS:**

**ACTIVITIES: Elaine E.** Absent, but on her way, will re-visit her sub-committee.

**HOSPITALS & INSTITUTION: Becky C.H.** The good news is that after 12 years of being disabled, I've returned to work. This is truly God working in my life! But as grateful as I am, I have one regret -- my new job requires me to work weekends. Therefore I must resign as WRSC H&I Chair. It has been a great pleasure to serve with all of you and I look forward to seeing you all at WSNAC. In Loving Service, Becky CH

### **LITERATURE: Carl K.**

Hello to All,

First, I must say it is an honor and a privilege to be literature subcommittee chair.

I am currently reviewing the LS guidelines. I will be e-mailing all of you the proposed changes well before the next cycle so you can review them as well as give me any input or changes you would like to see.

At WSC 2012, NA adopted the creation of a Traditions Book. This book is a two-cycle project plan.

Initially, NAWS will use technology and other methods to capture input from our members. They will be discussing a frame for the next steps at their October board meeting. I am very excited about this piece of literature. Everyone I have talked to agrees that this is long overdue. I will be keeping this body as well as the areas within our region up to date on where this is going as well as getting your input on what you would like to see in this book.

I recently traveled to Northwest LP Michigan and visited the North West Michigan Area of NA. While I was there, I discovered that they had developed their own IP '*Being of Service*'. After reading it, I felt that this might be something we would be able to use. I already have received permission to use this material.

[Type text]

I would like to know if WRSC is interested in developing it for our region and areas. I can reproduce this and input our regional info and create an editable version so different areas can adapt it for their use. In closing, I am here to serve. If you have any suggestions, please feel free to contact me.

Thank you for allowing me to serve,

Carl K

WRSC Literature Chair

Also discussed working on a Leadership By Example IP. Literature Chair asked the RCM's take this back to their Area's and see if there is any interest in this subject for and IP. Also handed out a copy of the Service IP (also e-mailed it to the RCM's). Please take these ideals back to your Area's and see if there is any interest in these as IP's.

Treasurer made a proposal to use \$95.11 of the prudent reserve, discussed this proposal, passed.

**POLICY: Harold L.** Present, nothing to report.

**PUBLIC RELATIONS: Wes H.** The web updates have all been moving along smoothly and to my knowledge the online meeting list is up to date. However I / we need to follow up on some events that have been sent in repeatedly but still are not up on the calendar. Some of you may know that the calendar had been hacked, that has been repaired. Regional Meeting lists; there are still some left if people want some. I have mailed the application and check to the Wisconsin Correctional Conference, still waiting for them to say they have gotten the check. I had to include a personal check in the amount of \$15.00 due to the cost being \$415.00 not \$400.00 that the region's check was made out for. Don't sweat it consider it a donation to region. I have yet to order literature due my having to work during the conference and not knowing if anyone will be able to go. They will only refund half of the reservation cost if no one is able to attend. Mental Health and Substance Abuse Services Training Conference for \$225.00 for a table in the hallway October 23 & 24, 2012 at Chula Vista Resort, Wisconsin Dells. That's what I have at this time. In Service, Wes H.
