TRUSTED SERVANTS REPORTS:

FACILITATOR:

Present, read the following report on the floor.

It has been an honor and a pleasure to serve this body for the past two years. I know I am not as serious as some of you would like, but I believe in having fun in service. Thank you for tolerating my strangeness! I look forward to continuing to build relationships with the people at WRSC. Much like a bad penny, I keep coming back. Thank you for the opportunity to serve, Marla MK.

VICE-FACILITATOR:

Present, nothing to report.

SECRETARY:

Present, read the following report on the floor.

Addict named Nancy; please make sure that you look over the contact list that I am sending around.

Please make sure that you check the address and contact information for your position and for your area.

This is important to keep them up to date. Also, if you are giving a report on the floor, please make sure that you hand in to me or e-mail me your report. If I don't receive it, I will only report that you gave a report on the floor, not the total content of what you reported. In loving service, Nancy M.

TREASURER:

Report Attached.

Present, read his report on the floor, he also stated that it was brought to his attention that it would be nice to have manes and what the checks were written for on his reports, he will start doing that moving forward.

VICE-TREASURER:

Present, stated on the floor, no report turned in that the Bank has had a policy change and all signers have to sign a new signature sheet when there is a change in signers on our checking account.

REGIONAL DELEGATE:

Dear Family,

The long wait for the highly anticipated Conference Agenda Report (CAR) is nearly over. The CAR will be released on November 27. I strongly urge all of you to obtain a copy. This will give you all as much time as possible to prepare for the CAR review in January. It will be posted online on the NAWS website. It will likely be a password protected document, but the password will also be there on the same page. As soon as I find it, I will send a note to the Secretary with the link and any additional instructions and info. We'll all soon know what surprises it contains.

The Conference Approval Track (CAT) will become available on January 27. It will contain all the NAWS strategic plans, budgets, and project plans with projected costs. There may also be an application from a Region or 2 or 3 for seating at the WSC. We can walk through that at the March RSC as we gather the conscience of the Region and your direction for the World Service Conference. This will also be posted on the NAWS website. As above, I urge you to download it and read it.

Since we already know that the CAR will include either motions or recommendations concerning the Service System Project (SSP), our round table today will focus on some history of the SSP, the current state of the SSP, and if time permits, a mock Group Support Forum.

Also to be included in the CAR will be an approval draft for the new IP "An Introduction to NA Meetings". There will also be a motion or a proposal on the direction the Traditions Book will take. These are just a few of the things on this cycle's agenda. Various Regions will have proposals to consider. There will be recommendations to terminate Delegate funding as well as ending Alternate Delegate attendance at the Conference.

It is likely that the WSC will approve the termination of automatic Delegate funding. It is far less likely that the ending of RDA attendance will pass. It would be wise of us to begin planning for that eventuality. It would double the cost of sending the Delegate Team to the WSC. If we start planning now, we will have 2 years to prepare.

(Put on board.)

Our Regional Report to NAWS is due by February 15, 2014 for inclusion in the Conference Report. This comes out in early April. This contains specifics and details pertaining to the daily activities at the Conference. It also contains the reports from all the Regions that make the deadline. The 2012 Conference report with all the Region reports was 448 pages. 50 of those pages were the actual conference schedule. The rest was Regional reports. There is a lot of information that will require input from all Areas as well as our Treasurer, PR and H&I Chairs. The report template is not yet available, so I have the 2012 form as a guide. Some of the information can be taken directly from the 2012 report, but much needs to be gathered here. (Put on board.)

The Midwest Zonal Forum is meeting this weekend at Greater Illinois' Regional Convention in Galesburg, IL. Not surprisingly, it is on our Regional weekend...again. The MZF is also planning a CAR/CAT review weekend on January 24-26 in Kalamazoo, MI. I questioned how they could accomplish that since the CAT isn't being released until the following Monday. I was informed that NAWS would be there and granted an early release of the CAT to this event. Since the CAR and CAT will contain very controversial proposals, motions, and recommendations, and at least one WB member will be there, (they usually send 2 WB and 1 or 2 staff) we believe it would be in our best interests to attend. It will also be very

informative, not to mention entertaining, to hear what the other Regions think and the questions they pose to the WB. We can then update you with any new information we get and discuss it before the WSC. The cutoff date for reservations is January 1, 2014. The hotel is \$75 per night plus \$8.25 tax for 2 nights for a total of \$166.50. Transportation from LaCrosse to Milwaukee, and then to Kalamazoo, MI is 444 miles each way. Travel costs would be 888 miles @ \$0.25 per mile or \$222. Per diem for 2 people for 3 days would be \$180. Grand total = \$568.50 (Put on board.)

As always, it is an honor and a privilege to serve.

In loving service, Bill O.RD

REGIONAL DELEGATE ALTERNATE:

Greetings everyone,

Due to some recent health issues, I will be unable to attend this cycle. For all those that have kept me in their thoughts and prayers, I thank you.

I have been monitoring the WSC participant discussion boards. Occasionally a good idea will be brought forward, but for the most part, discussions are based on personal opinion and occasional character bashing. With the exception of one or two occasions, I have not participated in conversations on the boards. Many participants have dropped off the boards for a variety of reasons which is irrelevant at this point. For the most part, the threads on the discussion boards have moved away from solutions to problems that are currently facing the worldwide fellowship of Narcotics Anonymous. The following are some of the discussions that have taken place so far:

There has been discussion about group conscience. I have watched participants on this thread all but destroy the purpose of what group conscience was designed to accomplish in Narcotics Anonymous. A few cycles ago we had a roundtable discussion about group conscience. I strongly suggest we review that round table discussion so that we can use true group conscience to strengthen and focus on our primary purpose as a region.

I have spent many hours reviewing a thread that questions why the World Board has in the past and currently needs an outside consultant to facilitate World Board meetings. World board members have tried to explain the necessity of having a consultant. It appears that there may be some dishonesty in those explanations. The root of this discussion appears to be in the compensation of this outside consultant. More will be revealed on this matter.

There's also a thread discussing the possibility of re-organizing the zones around the world so that zonal representation can be achieved and possibly reduce the number of participants at the World Service Conference. There has been discussion about reducing the Current 8 U.S. zones to approximately 3-6 zones. It appears that the only way that zonal representation will work, is if all zones become decision-making bodies and begin multitasking. This should prove to be an interesting discussion at the conference in April.

Probably the most important thread on the boards currently is about the Service System Project. It is important to recognize that this project is actually only a proposal at this time. The goal of the Service System Project was originally designed to investigate ways to improve services in Narcotics Anonymous and also reduce attendance and participation at the World Service Conference. Currently, one thing is clear; a motion or recommendation is going to be made by the World Board to approve the Group Service Forum (GSF), Local Service Conference (LSC), and Local Service Board portions of the proposed service system. I foresee problems with this motion or recommendation. I am sure that the presenters of the round table discussion this cycle involving the SSP will bring these possible problems to light. I cannot emphasize enough the importance of the RCM's of this region to fully inform their respective areas about

the proposed changes to our current service structure. One of the biggest sticking points is going to be if the groups, areas, and /or regions which choose not to participate in this new system, how will that affect regional representation at the world service conference in the future? The current response from World Board members is: “you will be out of the mainstream”. I am not sure what this statement implies. I hope everyone at this regional cycle participates and gains a better knowledge of what the future holds for the Wisconsin region in regards to the SSP.

The RD and myself will be presenting the C.A.R review at the January Regional Assembly. The amount of information that needs to be brought forth in January is massive. Because of this, the RD and myself agree that the regional body should suspend all nonessential reports so we may focus on the C.A.R. review. Reports that we feel are necessary in January will be approval of the minutes from the September cycle, the RD and RDA reports, and the Treasurer reports. I can only hope that the regional body agrees with this suggestion.

I hope that everyone has a prosperous and enjoyable holiday season. I fully intend to be at the January Regional Assembly. It is truly an honor to be of service to the Wisconsin region and its membership. In loving service, Harold L; Regional **Delegate Alternate**

BIG RIVERS:

Good morning, everyone,

Since last we met Big Rivers has been busy. In the weeks following our last meeting, our Area took four weeks to go through the Area Inventory that we had taken in previous months, followed by a presentation of the results to the Area. These results were absorbed by the body and there was much fruitful discussion surrounding this. The body has formed a Resolution ad-hoc committee to take some of the suggestions that were more strongly favored by the body and turn them into proposals.

Otherwise, Big Rivers has been relatively quiet and conflict free.

In loving service, Drew D-S.

CHIPPEWA VALLEY:

Hello Everyone,

We had a successful H & I fundraiser October 26th. It was a zombie themed event and there were some scary convincing zombies in attendance. The H & I regional chair Elizabeth was the featured speaker and her husband Mark was there too. We had a jail set up in which you could have someone jailed for a small donation. The event raised a good amount of money that will be used to purchase literature for institutions.

Our next area event will be a thanksgiving dinner with all the traditional foods. Turkey, Ham, Mashed

Potatoes & Gravy, Sweet Potatoes, Stuffing, Cranberries, Dinner Rolls and Beverages will be provided by the area activities sub-committee. This will take place on Thanksgiving Day, November 28. Families are invited. Please join us if at all possible.

Trusted servant elections will be held at our next area committee meeting December 7th. We hope to fill some vacant positions. In service, John M.

KETTLE MORAIN:

Hello. I'm an addict named Mandy. I am grateful to be here. Thank you to the Inner City Area for hosting this cycle. KMA groups are doing well and continue to offer a positive atmosphere of recovery and enjoy good attendance. Elections were held at our Area last week. We still struggle to fill some officer positions including Vice-Chair, Secretary and Vice-Treasurer. Our subcommittee chairperson positions were all filled this month with the exception of H&I and Public Relations. Those two remain open.

We have a few functions coming up:

- 2) Sock Hop – Saturday, December 21st

In loving service, Mandy R.

MILWAUKEE:

Hello Regional family,

The work of NA is going strong in our Area. Recovering addicts are sharing their E.S.H. and our message of hope is evident in most, if not, all of our recovery meeting.

Our Area has been moving forward on our goals of becoming a more appealing experience in NA service.

We are in our first several months of a model that includes all reporting positions being required to submit their reports ahead of Area for electronic distribution prior to Area every month. I have noticed that the time saved by reducing time spent on reports is taken up by other topics and business and the overall length of Area has not been greatly reduced.

We have elected two new Subcommittee chairs, Matt F. is our new PR chair and John S. is our new Activities chair. We are taking nominations for Literature, H&I, Secretary, Vice-Secretary, Outreach, and Treasurer.

December is our month for yearly planning and inventory. We are using the Area inventory tool found in our PR service manual.

I have been asked to contact Bill O. to schedule his time for a CAR workshop in the Milwaukee Area. We have two functions coming up soon. Our Thanksgiving event is 11-28-13 and our Jail-n-Bail H&I fundraiser on 12-07-13.

We are donating \$300 to region this month.

ILS, Jeff F. RCM MASC

NORTH CENTRAL:

Represented, no report turned in.

NORTHEAST:

Hello Family

I would first like to start off by introducing Susan B. who was elected back in July as RSMA. This is her first regional conference. There is a couple new things going on in the N.E.W. Area. Currently myself and a few of the addicts are trying to form a host committee to bring WSNAC back to the North East Area. Right now were in the beginning process of putting the bed package together by getting this committee together and getting our areas thoughts and suggestions on this.

Our Area is thinking about changing the time and day of our ASC. The intent is to get more people to show up for area and fit the majority's schedules. My area would like me to talk to other Areas this weekend and ask about their ASC time and day schedule and how it works out for their Area.

Our Area continues to grow and more addicts' develop clean time. One thing we are focusing on as an Area though are building stronger home groups getting people involved in service. One idea that got brought up was a online survey for addicts or a Adhoc committee to develop these tools for Area Service. Currently most of our Area positions are filled. We are still currently looking for an Outreach Chair and Activates Chair. Vice Chair is open this month and we have new Area Chair, Paul G.

Our last function was Project Freedom earlier this month. This is our PR and H&I function to raise money to provide literature to jails and institutions and carry the message to addicts seeking recovery who may have limited access to NA. The function had a great turn out and high attendance, 5 different areas showed up to support us, and we thank you all.

Upcoming functions are our New Years Eve Dance on December 31, 2013 at Calvary Lutheran Church 5 pm. Potluck, speaker DJ Dance, and balloon drop at midnight. February 8th at the Bridge at 5 pm is our Chili cook-off, chili contest, speaker and a DJ Dance. We are currently looking for speakers for both these functions...hint, hint! In loving service, Allyn S.

Good morning family, my name is Victor and I'm an addict.

Unfortunately, our Area was unable to afford attendance at last cycle but I am grateful to be here today.

We are at that time of year for elections and I have been elected to continue serving in this capacity for another year. We have several positions still open because they could not attend last Area. It is also, per Area policy, time for another audit. We felt that Gene did a great job in providing our affected trusted servants with valuable direction to keep us within the established guidelines for nonprofit groups. We were able to make a \$100.00 donation this cycle and we thank you for your support.

Thanks also to the RD and Lit. Chair for attending our Area in Sep. and conducting the NASSP workshop.

I wasn't able to attend due to another commitment. Carl informed me that it went well, which is interesting since no one at Area has mentioned it.

In loving service, Victor H., SEFA RCM

OUTREACH:

Hello Regional family,

I have nothing to report at this time.

I do have a question; I was given our Regional Service Conference Orientation Guide from Harold, at that time I didn't say anything but I do not know exactly what I'm expected to do with it, if anything. Please give me guidance on this issue. ILS, Jeff F., WRSC Outreach chair.

The Outreach chair requested guidance on the booklet that was given to him. It was an orientation guide the Facilitator informed him. He should be at the Saturday morning cycle at 8:30 am and go through the booklet for anyone new to Region.

PUBLIC RELATIONS:

Hello Family, there is very little to report this cycle. There was a 10 minute exchange on the new website and that's as far as it has gone. I got a phone call asking for some help getting a flier on the calendar. The number of updates for meetings numbered 2 which is what we were getting in a week. I will be sending out the spread sheets for meeting lists to the last email address of record so that the newest printed Regional lists may be produced. If I don't get anything back before the next cycle we will use last years information. Nothing further to report. In service, Wes H.

Prioritized list of Topics by RCM's

TOPIC 1 – WRSO Finances: How did it get let go for so long?

What is the procedure to fix the amounts being owed?

Get a list of outstanding accounts.

This is to be put on the topic board for next cycle, so that we can get the answers to these questions, we now have WRSO rep's.

TOPIC 2 – RD Team funding WSC in 2016. World probably won't be funding the RD to go to the World Service Conference in 2016 and moving forward, discussed this issue. We will know more in April 2014 after the Conference, a proposal was made to commit this to policy.

TOPIC 3 –NAWS Regional RD Report. Call the people that pertain to the questions. A question was asked if anyone objected to filling out the questions in the regional report. One RCM objected. It was stated that communication is the biggest problem in NA today. This could help other Regions with what has worked for us and what isn't working. Question was asked again...does anyone object to sending all the information? One RCM blocked. More discussion was had a proposal was made Give all information except dollar amounts, only percentages, this proposal passed.

TOPIC 4 – Send RD/RDA Team to the MZF, CAR/CAT meeting in Kalamazoo MI, this meeting will have World Board members going over the CAR/CAT. This is where the tough questions can be asked. Does anyone object to sending the RD/RDA Team to the MZF in Kalamazoo, MI? No one objects.

TOPIC 5 – Suspend all non-essential business in January, 2014 cycle. Discussed this issue...The facilitator sets the agenda, have a working lunch. Be prepared to have a long cycle in January, we also meet with WSNAC next cycle.

OTHER BUSINESS:

Denise S. sent to the Secretary and e-mail for consideration for WSNAC Pool, the following was read on the floor.

Hello Nancy... My clean date is 3/11/07.

As far as service work, I have done a lot within the Alano Club in Beaver Dam. I started and still chair a Saturday morning NA mtg six years ago because there were no NA mtgs at the club. I recently in August started a second NA mtg. I am currently the secretary on the board at the Alano Club. I sponsor four different women.

The reason I became interested in being involved in service work at a greater level Such as WSNAC is because I have had amazing experiences there every year. This past WSNAC XXX...was my fifth WSNAC. I had three current and/ or past board members ask me if I would be interested in getting on the board. I was grateful and amazed that they all thought I'd be a good addition to the B.O.D.

I've learned never to say no to service work and it would be a great service to NA, myself and my recovery.

Thank you for your time and service

The nomination was called out of order; she didn't submit a service resume and hasn't read the letter attached to the resume. The Secretary will notify Denise S. of this discussion.

A proposal was made to close, we closed in a group hug at 10:18 AM.

Our next cycle we are to meet at the host hotel, the Secretary sent the following e-mail to the WSNAC Board, below is the e-mail and response.

the meeting will be at the Plaza hotel in Eau Claire there is a block of rooms

for region if you have any other questions please let me know.

Hello all,

Please would someone let me know where in Eau Clair the WSNAC Board is going to meet. Region needs the hotel information so that we can make hotel reservations for our Regional meeting in January 2014. I will be sending out the minutes in the next week, I would greatly appreciate it if you could let me know the name of the hotel and how much the rooms costs so that I can include this to the Region.

Thank you for your help in this matter.
