I am recovering very well (and all the tests have come back negative for cancer) YAHOO!!! But I am not able to make the trip this cycle.

I am attaching to this email a copy of the July minutes again, please remember to print it to have at region. I am also attaching a report form and a motion form (thanks for that idea Bill). Deb W has graciously said she will take notes for me for as long as she is able to stay on Sunday. When I get the reports and the notes by mail I will get them typed and out as soon as I can.

I will miss my hugs and seeing everyone, Peace and Love (PS please continue to keep Patti in your prayers)

Good Morning family thanks to the Yuppers for hosting WRSC. RD is not getting MZF email so here are my copies. Part 1: 1) what do you see as the purpose of the MZF website in its current format 2) what are the strengths of the site in its current format as they relate to the purpose? 3) what improvements could serve to make the site more functional & better able to accomplish the purpose stated above? Part 2: 1) what is your vision for the MZF website in the future? 2) specifically what services should the MZF site provide? 3) what audience should the site target? 4) What obstacles stand in the way of reaching this vision? 5) how can the MZF overcome these obstacles? Email comments and \or input to blynnandbob@netzero.com

The RD has reported on new literature we both received. I will not duplicate

MZF is the same weekend as WRSC next cycle. I will be attending and submitting a request for funds w/treasure There were various comments on the inventory and I will be happy to forward the emails in relationship to inventory questions. There seems to be a lack of response fro the most part, to the inventory and my question to this body is “how many individual addicts are using the MZF website and why?” Please respond to me @ napeacefulwarrior@yahoo.com

I am submitting a motion to this body to increase the reimbursement for mileage to .25 cents per mile.

AREA REPORTS:**A. BADGERLAND: Greg, RCM**

Greeting from Badgerland. Thank to all for the input we received at last WRSC. Badgerland is doing fine, some concerns over lack of GSR support at our ASC. Our PR subcommittee did a good job at Women in Poverty Conference. Our report will be I WRSC PR Committee report. Still look for H&I volunteers. We need a secretary and vice treasurer also outreach chair. We have a new P.P. chair Kim (Kimmer) T. Activities has several flyers on the table for our next 4 functions. Our campout was a spiritual success. We just didn't have enough overnight campers supporting this 4 day event.

P.S. we do not support regional rotation changes or the idea of not giving literature to areas that pay in timely fashion with out up front payment.

B. BASIC: Kerry K, RCM

Hello regional family Basic area is doing well. Our activities chair has been filled. Our up coming functions are as follows: HollowClean October 20th – Holiday Party December 8th and the Snowflake Ball and Chili cook-off is tentively set for February 9th. Our Christmas Holiday party we are having a toy drop which is to compensate the less fortunate children in our area. We have been working on our Birthday Bash Campout, which will be held in June. Our area has had some problems with disruptive behavior in our meetings. We have been discussing solutions also. We currently have 7 meetings a week with our service literature meeting being held now on Tuesday 6:00pm till 7:30pm.

I brought back the issue / motion of region being drop from (6) six meetings to (4) four. Then to have two of the (6) six be in a central location. Our area voted to block these (2) two motions. Our area has been looking for a treasurer. It's been a struggle due to clean time requirements. Due to a lot of addicts being newer to recovery. We do have a donation of \$200.00 for region this cycle. So with all of that said, I have been very pleased with how our area has grown.

In Loving Service, Kerry K

C. BIG RIVERS: Gregg B, RCM

Hello Family, I am truly thankful to be here in the UP to represent the Big Rivers Area of NA. I am also happy

to see Bob C of the BRA step up to serve WRSC as the Co-Facilitator. I would like to also welcome Ted B. as the new RCMA of the Big Rivers Area. The Big Rivers area is doing really well, we are adjusting to our new area configuration, but the Spiritual atmosphere is great. We have recently implemented the budgeting process and I am hopeful that we will be able to have Area Planning Session. The Big Rivers Area has the following responses to Regional issues: We support the writing Steps to those incarcerated. We do not support any changes to the Regional cycle schedule. We would love to participate in Regional Activities Events Softball, Bowling, and Regional Picnic. We would also like to host a Regional Activities Event

Trusted Servants: Deb W. Facilitator: Erin J. Co-Facilitator: Gregg B. RCM: Ted B. RCMA: Jim B. Secretary: Gary K Co-Secretary: Jenny Y. Treasurer: Bob W. Policy Chair: Ryan L. Area Activities Chair: Kel E. Literature Chair: Kieth L. H&I Chair

The Big Rivers Area made a donation of \$2,210.57 on 9/09/2007

On a personal note I would like to thank everyone from the Wisconsin Region who attended the World Convention of NA in San Antonio Texas. I felt that the workshop on building strong home groups was extremely helpful. I would like to request that the WRSC have a roundtable discussion of this topic.

I will not be able to attend the next cycle of WRSC because I am honored to speak at the GIRCNA convention in Bloomington Illinois. Ted B. will represent BRA in November cycle.

We are coming up on 400 meeting lists distributed since March. Not all work though, we have our 3rd function scheduled for Sept 3rd. I would like to thank Larry for the help with the 1-888 number. F. INNER CITY: Melanii K, RCM

G. KETTLE MORAINE: Lee K, RCM

H. MILWAUKEE: Bill O, RCM, Bits P, RCMA

Hello Family; our thanks go out to the Upper Peninsula Area for hosting the Conference. Milwaukee Area continues to prosper. Most of our Area Service positions are filled. We still have vacancies at Vice-Chair and Vice-Secretary. We are beginning the process of an Area Inventory using the Area Planning Tool. Our goal is to improve services and to further carry the message of recovery to the addict who still suffers.

Milwaukee Area met last week and voted unanimously to reinstate the motion to increase the mileage reimbursement to Regional Trusted Servants from \$0.15 to \$0.25. We are reintroducing the motion today. Our

feelings are that the current mileage rate is insufficient and serves to discourage Trusted Servants as this puts an undue financial burden upon them. The 7th Tradition reminds us that "We cannot afford to let our members contribute more than their fair share." Our Area also discussed the idea of reducing the number of Regional Service meetings to 4 cycles per year. It is our belief that the RSC should continue its current meeting schedule of 6 cycles per year. We vigorously oppose any effort to change the schedule or centralize the RSC meetings, as this would deprive the Areas of the privilege and opportunity of hosting the RSC.

Plans are moving forward for the Greater Milwaukee Unity Convention. The date is Feb. 15-17 at the Radisson Hotel Milwaukee Airport. Please take fliers back to your Areas. We encourage you to register and make your hotel reservations early. Registration price increases after Dec 1, and the hotel room rate increases after January 15. We will have an outstanding program. Our annual free Thanksgiving Feast will be held on Thursday, November 22. We are still negotiating for a site, so there are no fliers at this time. You area all invited to come and celebrate Thanksgiving with us. We will post the flier on the website and send it out to all Areas as soon as the details are finalized. Jailhouse Rock will be held on December 8. As soon as the details are finalized, we will post the flier on the website and send it out to all the Areas. We hope you will put this date on your calendars and support this annual H&I fund raiser. It is the only fundraiser of the year for H&I. Milwaukee Area is making a \$250 donation to the Region. That's all for now.

It is an honor and a privilege to serve, Bill O

I. **NORTH CENTRAL:** Kurt, RCM

J. **NORTHEAST:** Trish C, RCM

K. **NORTHERN LIGHTS:** Tim H, RCM, Pam, RCMA

We have 14 meetings per-week 1 new one starting soon Wed noon or 1pm I think. A lot of the groups do not attend area so not a lot of unity. A lot of the groups look to the other fellowship for leadership & support not NA. But they still use our name. There is recovery happening and thinks will work out the way HP wants it. Next area function is in Siren WI Oct 20th 2007. Subcommittee meetings 11am Area 12pm-2pm Scavenger hunt 2pm Pot Luck to follow call Bill 715-349-2412

Thank You Peace, Tim H

L. **ROCK RIVER:** Chris K, RCMA, Marla M, RCMA

Hello from your southern most area. We had a very scenic drive up here, but were disappointed to discover that pasties were a type of sandwich not an exotic dancers covering.

We approve of the mileage increase to 25cents. We have an adhoc committee exploring youth issues in our area. Several from that subcommittee hyad planned to attend this weekend, but had to cancel at the last minute. Due to the fact that other areas are also having issues related to youth in our fellowship, we would like to have this topic posted next month. We have added another group to our area. Footprints meets in Sterling. PR will provide the details. Our function committee is now up and planning their first function for the end of October. H&I and PR committees forge on. RRCNA is scheduled for April 11-13, 2008 in South Beloit IL no further details available. Our website continues to grow, now providing information in Spanish. We also have a password enabled literature order site for groups to pre-order in order to be filled prior to the ASC. We do not support any change to the WRSC cycle in either time frame or location/rotation.

M. **SCENIC BLUFFS:** Mike F, RCM, Curt P, RCMA

This will be Mikes last RSC as RCM of Scenic Bluffs. However he was nominated for the RCMA position and accepted. I was nominated for RCM position accepted. The last 2 ASC's there were a cumulative total of 1 GSR present. Area is responsible to serve the groups and the question was asked is Scenic Bluffs ASC needed? A motion to fold the area is once again at the group level. There has been discussion of having ASC meeting as needed. This will totally revamp our policy, more will be reveled.

Scenic Bluffs annual Cold Turkey Function is coming up Nov 24th at Mazomanie Community Building flyers are available. H&I is still functioning with meetings at Columbia County and St Clare Hospital meeting list are current. Finances are an issue. God is in control. So, once again despite our best intentions we continue to recover in our Scenic Bluffs

Hi Everyone I want to welcome you all to Marquette. We had a really slow summer here in the U.P. We are just trying to hold it together. I am encouraged with the enthusiasm by the few people we do have doing service work & their commitment to it. We still only have the Marq Ishpeming & Munising groups but right now we just have 3 GSRs. We are small but committed to holding it together and moving forward. We have a function planned tonight at the Grace United Methodist Church speaker at 7:00pm raffle, auction & dance. We will have our donation tomorrow morning we want to figure that out after the function tonight.

In Loving Service, Lynn D

SUBCOMMITTEE / ADHOC REPORTS:

Q. **ACTIVITIES – TIME**

R. **PUBLIC RELATIONS REPORT – TIME**

Dear Family, The Public Relations Web Group is pleased to announce the appointment of a new Regional NAWS Web Contact. He is Mike V., former Regional Webservant. Mike's service history, technical background, enthusiasm, and dedication to service make him an ideal candidate for this position. Mike is currently assessing the scope of the job and beginning the updates. He will be developing a process and protocols as the project develops. Our immediate goal is to assemble a comprehensive list of all unregistered meetings in the Region. We will then send the list to the Areas, asking for your cooperation in getting these meetings registered. As the responsibility for registering meetings rests first with the groups, we would ask that the Areas take up this task. Instructions and assistance will gladly be provided. Mike will also serve as a coordinator for Area NAWS Web Contacts. We envision the database update and registration process will take about a year to accomplish. After that, it will be maintenance. We encourage the Areas to actively participate in this process.

Our website domain (name registration) has been transferred to iPowerweb, the company that hosts the site. That gives us free domain for as long as we keep the hosting with them. That saves us \$35 per year. We would like to upgrade from our current 1 year hosting plan to a 3 year plan. This would net the Region an annual savings of about \$24. The total savings on both the domain and hosting would be \$59 per year. We are currently budgeted for only a 1 year plan at \$7.95 per month or \$95.40 per year. The new plan would be 3 years at \$5.95 per month for 36 months or \$214.20. We ask that you approve this upgrade in service. A motion to this effect has been presented. (Put on board) (Very time sensitive)

The 22nd annual Women & Poverty Conference was held in Madison on September 5-6. Vanessa V from Badgerland Area organized and coordinated our participation in the conference. Several members from the Area manned the exhibit. Interest in the exhibit was as expected, consistent with previous years. This year Colleen Rainey, the WISCAP project coordinator, waived the exhibit fee, citing our previous participation and the need and their desire for us to attend. We have returned the exhibit registration check to the Treasurer. We look forward to attending again next year and have extended our thanks to Ms. Rainey. (See attached report.)

The 3rd annual Mental Health and Substance Abuse Services Training Conference will be held on October 23-24 in Stevens Point. We have the exhibit application and are requesting \$350 in budgeted funding from the working reserve for the registration. The literature order has already been filled.

We were directed to obtain information and direction from NAWS concerning the State Prevention Conference. I contacted NAWS with the questions. Their position on this is simple. Narcotics Anonymous is focused on recovery from the disease of addiction, and not on prevention. They suggest that we not confuse our Primary Purpose and the public by attending such conferences. As stated, "It's not what we do."

Due to changes in the original plan, the funding for the Corrections Assn. conference will need to be altered. Gene is unable to attend, so I will be attending in his place. The literature has been ordered and delivered, and the hotel reservation is secured. The travel arrangements need to be discussed. The Conference begins on

Monday, so I will need to go to the Dells immediately following this RSC. This is very time sensitive and requires your immediate attention. (Put on board.)

I attended and participated in a multi-Regional PR Learning Day in Chicago on September 8. There were several workshops, and many local PR Chairs in attendance. I would like to suggest to the Activities Group the idea of a similar PR learning Day. As Public Relations grows and evolves, it becomes increasingly important to share our knowledge, information, and experience. Workshops on Public Image, PR and the Traditions, Helplines, Community Meetings, Health Care and Treatment facility presentations, poster and sign campaigns, Public Service Announcements, Power Point presentations, websites, conference exhibits, presentations to Corrections Departments, media, schools, frequently asked question and answers, PR resources, and more could be presented.

That's all for now. It is an honor and a privilege to serve. Bill O

Women and Poverty Conference Report – September 5 and 6, 2007

Vanessa V. had organized and planned the Badgerland Area PI subcommittee's participation in the conference. The Badgerland Area PI subcommittee would like to formally thank Vanessa and her volunteers for making the conference a success. She reports that the Women & Poverty conference was successful, and proceeded without any problems. The Badgerland Area PI subcommittee provided local meeting lists, phonenumber flyers, a sample of all of the keytags, and books in English and in Spanish for demonstration copies only. The WI Region kindly paid the registration fee and provided the majority of the literature, which the amounts given and distributed are summarized below in the table. The Just for Today book, It Works book, and the 13 black and 15 white multiple language keytags were not used. The \$75 for literature in addition to the WRC PR subcommittee stock was sufficient for the conference.

After getting reports from all of the volunteers, the conference was reported as relatively small. There were not as many people coming by the exhibit tables, however, the professionals that did stayed longer, and were more intently focused on finding information and using NA as a resource for solving their clients' problems than at WAAODA. One professional asked about how to make clear the connection between drug use and violence to their clients. Another professional from the Dept. of Corrections in Janesville seemed interested in having IPs at their probation and parole offices. This professional was informed that the BASC PI subcommittee provides literature displays in each of the corrections (P&P) offices in Madison. Our subcommittee will look into adding Janesville to our list; however, it is difficult to reach rural areas in Wisconsin to keep such commitments fulfilled.

S. POLICY REPORT – TIME

T. HOSPITALS & INSTITUTION – TIME

Hi family Tony an addict, Sorry I'm not able to attend this cycle, work schedule. I'm submitting this report in my absence. No one in any area has contacted me on the H&I efforts. So I'm pretty much a chair with no subcommittee and no input from others. Next cycle I would like so input from the RCM's on what my direction should be and duties you would like for me to carry out. May be helpful to get your area's H&I involved. I am currently involved in the ILUA H&I effort, and they have just elected a new chair. Looking forward to working with him. They have also gotten the H&I slot at WSNAC on ILUA's area H&I efforts. Writing steps to recovery: Got input from the ILUA and they think is a good idea for it to consist of a work group under H&I. I will have more to report on next cycle. I have one person who has contacted me in becoming involved, well actually three.

Things to think about: The subcommittee needs to meet monthly and which would probably not involve a rotating location of more then three areas, being Milwaukee, Oshkosh, and Madison.

A subcommittee members need to be gathered from the different areas.

Once subcommittee is formed, different facilities need to be approached to see if they would allow inmates to participate in this program, the step guides will probably need to be cleared through the DOC, but that's an unknown right now. A P.O box needs to be established, probably in the secretary's home town, or maybe the WRSO office if possible. Flyers need to be made, to announce the need for members, and all of this will require some funds. My email and phone number is listed in the minutes, any questions, please don't hesitate to ask.

RCMs, Please have thoughts inputs if possible for the next cycle. I don't forsee this program getting off the ground until late next year, to insure that we are as prepared as possible.

Could you have your H&I chairpersons contact me before next cycle if they would like their report included in the minutes. They should know that by including their report, that it may help another area that might be struggling with their H&I efforts, or may get some help if they or struggling with something in their H&I efforts. We share information in order to improve on our primary purpose,

“Carrying the message to the still suffering addict”.

I will not be attending the next Region however I will forward my report.

Your Trusted Servant Tony H

U. MINUTES POLICY ADHOC – TIME

V. WSNAC RSC PRESENTATION

Hello WRSC Family, thanks to the U.P. for hosting this cycle. Just a reminder this is the last RSC before WSNAC. The adhoc meeting scheduled for Unity Jam did not happen. Due to Life on Lives Terms on my part. The adhoc meeting scheduled for Blues by the Bay took place with one other addict present. However work is continuing between meetings. Topics we are going to be doing are the Ask-It-Basket. A box/basket will be placed at registration and outside the Friday night speaker meeting. These will be used for individual addicts to ask questions of the Region. John H has agreed to chair this topic. It would be ideal to have all subcommittee chairs and the WRSO participate in the proceedings. The Service Structure and how it works is another topic. Deb and Cindy will be chairing this topic. The third topic is Project Hope. I have tried to contact Andrea P with no success. The last time I talked with her was 2 months ago she was excited about this topic. The idea is having addicts that were touched by Project Hope Literature Share. If any involved parties need anything from this adhoc let me know. Also any subcommittee chairs able & willing to participate contact me.

Of Grateful Service, Mike F
