Active status shall be returned upon said area's representation at the WRSC.

7.03 Consensus exists when each member of the group can say:

1. I have had the opportunity to voice my opinions.
2. I believe the group has heard me.
3. I can actively support the group's decision as the best possible action at this time, even if it is not my first choice.

7.04 Guidelines for Participants in Consensus Groups:

1. Begin and end on time
2. One speaker at a time
3. Speak only for yourself
4. No put-downs
5. No blaming
6. No interrupting
7. Everyone may participate
8. No one may speak twice on a subject until everyone who wants to speak for the first time has spoken
9. Silence equals assent

7.05 Consensus Process:

1. Proposal presented; Restated for clarity out loud by facilitator.
2. Discussion (See below*1)
3. Facilitator asks for Participants Action Options (See below *2) on the proposal.
 - a. Without endorsement (second) the proposal fails
 - b. Without objection the proposal passes
4. Once the decision has been made, act upon what you decide.

***1-Procedure for discussion:**

1. Define the problem or decision.
2. Figure out what must be done to reach a solution.
3. Brainstorm possible solutions.
4. Discuss pros and cons attempt to narrow down the list of ideas/solutions.
5. Adjust, compromise and fine tune so all members are satisfied.
6. Go back to 7.05(3). If consensus is not reached repeat above steps 1-5

***2-Participant's Action Options**

1. To Give Consent (yes)
2. To Stand Aside (abstain)
3. To Block (no)

1. To Give Consent: When everyone in the group (except those standing aside), says, "yes" to a proposal, consensus is achieved.

2. To Stand Aside: An individual stands aside when he or she cannot personally support a proposal but feels it would be all right for the rest of the group to adopt it. Standing aside is a stance of principled non-participation, which absolves the individual from any responsibility for implementing the decision in question. If there are more than a few stand asides, consensus has not yet been reached. The Facilitator will determine this.

3. To Block: This step prevents the decision from going forward, at least for the time being. Blocking is a serious matter, to be done only when one truly believes that the pending proposal, if adopted, would violate the morals, ethics or safety of the whole group.

7.06 All proposals motions and amendments are submitted as they arise.

7.06 A Except for elections and removal of Trusted Servant (which shall be cast by ballot vote), the WRSC shall use Consensus Decision Making as outlined in Article 7 of the WRSC Guidelines.

7.07 Only RCM's, RCM-Alternate and WRSC trusted servants make or endorse proposals at WRSC meetings.

7.09 Only reaching another consensus can change a consensus decision.

ARTICLE EIGHT: Elections

8.01 All votes shall be cast by ballot, unless a vote of acclimation is passed by a 2/3 majority of RCMs present by a show of hands.

8.02 All elections are decided by a simple majority.

8.03 If there are more than two (2) nominees for the same position with no clear majority, the two nominees receiving the most votes would move on to a secondary vote.

8.04 In the event of a tie vote during an election, nominations will be held open until the next meeting of the WRSC.

2. A minimum of one year of NA service experience

11.02 Criteria for selection of nominees:

1. Each of the respective Board of Directors (BOD) may develop qualifications of their own not presented here.
2. The WRSC secretary will keep the updated qualifications on file for 2 years or if elected to a board. The following circumstances and qualities will be considered by the WRSC when electing to the pool:
 - a. The need for balance between rotation (new people and fresh experience) and continuity in NA service efforts.
 - b. Recovery experience.
 - c. Service interests and experience.
 - d. Pool members fall under election guidelines for trusted servant.
 - e. Geographic diversity will be an important factor only if all other considerations are equal.

11.03 Administrative policy for WRSC pool:

1. The WRSC administers the pool. WRSC guidelines are the criteria for election and removal of trusted Servants.
2. All information in the WRSC pool is kept in strictest confidence.
3. Increasing the membership of the WRSC pool is high priority.
4. Pool members must be re-elected every two years
5. The WRSC Secretary provides a current list of all pool members to WSNAC/WRSC on a yearly basis
6. Each BOD may re-elect members within committee without member returning to the pool procedure. Members not re-elected must be reinstated to pool by the WRSC.

ARTICLE TWELVE: Hosting Regional Meetings

12.01 When we meet:

The WRSC shall meet every two months on the weekend of the third Sunday rescheduling into consideration when the WRSC meeting is in conflict with other important events. Advance planning is the key here. If negotiations are made well in advance you have a much better chance of getting the necessary facilities and reasonable prices.

12.02 Who is responsible:

The hosting committee will coordinate with the Regional Vice Facilitator on the agenda of the weekend. (See Article 3.02 for the entire ASC Host rotation schedule).

12.03 Financial information:

The WRSC may provide the hosting area with up to \$400 toward meeting room costs. Upon finalization of negotiations with the facility, the Area contact person is to notify the WRSC Treasurer with the facility address, phone number, contact person and cost. Do not guarantee these rooms and sign anything that would indicate a guarantee. Please refer to WRSC Financial Guidelines, F 4.02(5).

12.04 Hotel room setup requirements:

with knowledge of how to negotiate with hotels is helpful. You can usually get the meeting rooms at a reduced cost by letting the hotel know that we will be renting rooms and eating at their restaurant (if they have one).

1. Every effort should be made to insure that ALL facilities used are wheelchair accessible.
2. Regularly scheduled meetings of the WRSC are non-smoking. There may be a designated smoking area outside of the main room.

12.05 Sleeping rooms:

We will need between ten and twenty rooms on Friday and Saturday night. Keep in mind some ASCs and their members simply cannot afford \$90 a night hotel rooms. If secondary, lower cost lodging is available nearby, include this information in your flyers. We will need between ten and twenty rooms on Friday and Saturday night. **DO NOT Guarantee a room block. The WRSC will NOT be responsible for any room block negotiated with a hotel.**

12.06 Meeting space:

The meeting room should be spacious and capable of comfortably accommodating fifty people. Tables should be in a closed U shape with chairs around the table and around the outside of the room. **The room should be secured from 8:00am.to 6:00pm.on Saturday and Sunday. We need 1 table for the Treasurer; we also need a "flyer table".** It is suggested that the hosting area provide a lunch or dinner, if possible. It is the feeling of the Region that a meal helps promote unity and is a good opportunity for the hosting area to raise funds. It is

not suggested that you book meals with the hotel. If the hosting area/WSNAC would like to have a function at the host hotel the following may be needed:

On Saturday evening a room is needed which is large enough to hold a speaker meeting and a dance. We need this room from 6:00PM-1:00AM (unless facility restrictions dictate another closing time). We need 4-6 tables for the WRSO literature/merchandise and for entertainment. Chairs and tables are also needed for the speaker/dance.

12.07 Flyers:

All the necessary information should be completed and submitted to region six months in advance. With flyers out no later than the WRSC prior to hosting the WRSC weekend. A list of addicts available to act as local information guides included on the maps is greatly appreciated.

12.08 Helpful Hints:

If possible, use a facility that includes hotel rooms and meeting rooms. It is always tempting to use a number of facilities to keep costs down; however cost has to be weighed against convenience. If it just isn't possible to hold the entire weekend event at one location no more than one other facility should be used, and there should be detailed maps at all locations. Electrical outlets nearby and Wi-Fi internet access would be helpful. The WRSC meeting may be held in locations other than a conference room at the hotel; examples like a church basement, community center, or school. Remember the size of room we need is to be spacious and capable of comfortably accommodating fifty (50) people. Region will only pay up to \$400.00 for the space per cycle.
