Regional Delegate:

July Regional 2022

Hello Wisconsin Regional Service Body members,

I am currently writing this report to fulfill my duties as your elected RD (Regional Delegate). The delegate team has had little to no success at meeting on a regular basis since our last regular meeting. I have no doubt that Tyler and I will do much better between this cycle and the next cycle, but as we all know, all we can do is make the plans and see how our collective Higher Powers allow things to transpire.

Upcoming events that this team will attend:

MZF(Midwest Zonal Forum) meeting (ALL Virtual) – August 27 and August 28 (if required).

Regional Delegate Meeting (ALL Virtual) – not yet scheduled, but before August 20

CP (Conference Participant) call (ALL Virtual) – August 20

September Regional meeting (Hybrid) – September 17 and September 18

There are many activities coming up in the Wisconsin Region and I am hopeful that everyone will be able to attend as they are comfortable and continue to participate in NA however that suits them. There are so many different options for all of us these days, it is quite amazing and humbling. Our state convention is coming up in October and I am hopeful that everyone who

WRSC July 2022 Minutes

Approved September 17, 2022

can attend will do so. There will be some portions that will be attainable virtually, so if that is interesting for you, let me know and I will do all I can to accommodate your interests.

I want to say that I am glad this body is going to begin the process of undergoing an inventory, but just like in our 12-step process, acknowledging where the work is needed is only the first step. I hope that we come out of this weekend with more direction and more ability to meet the needs that are being overlooked at this juncture.

That is all that I have to report for this cycle, I thought it might be best to keep it simple, as beginning in November, there will be quite a bit of information to process from this team and I don't want to overwhelm any of you at this juncture.

Policy Ad-Hoc report, July 2022:

The draft for the guidelines update has been uploaded to the wrse-policy channel on slack. I apologize for the delay. I had hoped to get it published sooner, but I was frustrated with the editor not letting me do things as exactly as I wished, causing bouts of severe procrastination. I remain a work in progress.

The changes in this first phase are corrections to spelling, grammar, or clarity, as well as updating to consistent current terminology (such as Fellowship Development instead of Outreach) so approval should be straightforward. Changes are color-coded to be easy to see. Added text is in red, deleted text is in pink-strikethrough. In highlighted yellow are a few reminders of things to look at in phase 2. These are reminders only, not part of the guidelines, and they will be removed in the approved version. The editor does outline numbering automatically and sometimes it went rogue (see frustration, above) and made these numbers various colors or even strike through. There is no significance to this... it will be fixed in the approved version.

The Policy ad-hoc is submitting this draft as a proposal for your approval. Once approved, the colors will be removed, I'll battle through the outline number war, and a clean version will be made available on slack and sent to the IT Subcommittee for the website. After which the Policy Ad hoc can move on to the substantive changes that are pending for phase 2, such as timing of elections, term lengths, and other things that we have been discussing at recent WRSC meetings. As your servant, I await your further direction.

Welcome to Region Weekend Everyone!

I had planned on being here in person, but Carter started not feeling well, so life. I'm looking forward to the inventory as well, but have a family obligation starting around noon Sunday.

Group Information

North Central Area meetings have their ebbs and flows. Meeting attendance/support is still anywhere from fair to excellent. Some meetings have switched locations and combined in order to generate some more unity and consistency. All of our meetings are posted on our area's website.

Area Information

Our area currently has three open positions being Merchandise, Activities, and RCM-A.

North Central continues to host their area meeting on a monthly basis, and with the lack of group support at times; the average GSR attendance has staggered a bit.

WRSC July 2022 Minutes

14

Approved September 17, 2022

H&I is a strong focus in our area with trying to open jail meetings back up. Our H&I meetings at both locations have new in-house coordinators. All new volunteer applications were needed for both facilities and have been being submitted. Wood county was willing to allow trusted servants in sooner, but with needing new applications along with new enforced PREA training requirements, it got postponed. Wood County jail will move from a weekly basis to a bi-weekly basis. Wood County currently has one approved woman volunteer and four men. Portage County jail will have the meeting once a month. The treatment center meeting on Friday's continues but may move to Tuesday's instead. We also do an intro to NA meeting one time per month on Saturday's. Other than that, no new information to report at this time.

Other happenings in our area:

☑ Public Relations

- o North Central switched meeting list formats to a rack card which will help keep our information more current and better circulated
- o The rack card now has a QR code. When scanned it takes an individual right to our area websites listing of meetings
- o The switch will be a great resource for our area and always direct addicts to the most current information rather than circulating inaccurate information (if jails, probation, facilities etc.) need printed copies the area is still willing to support that.
- o This will save on printing costs long term as well

☑ Activities

- o Flower Power Campout is the weekend following Region at Big Eau Pleine county park (one of our regional trusted servants is speaking as well)
- o Miracles Convention 2023
- o Sponsorship Dinner- dates TBD flyer to come

Topics/Challenges/Concerns/Proposals

North Central has asked to bring the topic of H & I volunteers to the regional body. The area is struggling to get enough volunteers to go into the facilities. What are other areas doing to get more volunteers without having to shut the meetings back down due to lack of volunteers. It is suggested that 2 people go in. Thoughts?

Narcotics Anonymous River's Edge Area Report

Hello family! Thank you for the opportunity to serve! Here is our information:

Positions filled: Secretary, Literature, Treasurer, Chair, Co-Chair.

Vacant positions: Hospitals and Institutions Chair and Activities.

Our Area is doing well. We are, as always banning together on Activities and Financial Accountability. We all correlate with each other when it comes to planning and executing the Area functions, whether that be at a group level or Area level. The 2022 Raft River Race in Peshtigo was a success. Stormy, so a lot "chickened out";, but overall, everyone had fun!

Outreach chair has begun reaching out to the meetings that are in need of help, fulfilling our primary purpose. Workshops will be available starting in August. Dates to be announced.

Hospitals and Institutions are receiving adequate support for the men and women regarding volunteers to go into the jails. Women visits have reduced down to once a week, the second Wednesday of the month at 7 P.M.. As always, though, volunteers are always sought after and greatly appreciated.

Treasurer and Secretary are doing a fantastic job! And our Area chair is a great leader!

Our Area function is on December 3, 2022. Its our annual Acoustic Holiday Game Day held at Pioneer Presbyterian Church at 1947 Riverside Ave. Marinette, WI 54143. 12 pm- 7 pm or so.

Inventory Response 7/17/22

"As long as the ties that bind us together are stronger than those that will tear us apart, all will be well".

1. **"Our common welfare should come first; personal recovery depends on N.A. unity." Tradition 1 What is this-body's primary purpose?** To serve the Areas, the Group and the members, carry the message, pool resources to support Areas
 - *Who do we serve & are we accountable to them – Areas, Groups, Members, Newcomers, the addict yet to come, we are doing the best we can to be accountable as we bounce back and seeking feedback, this inventory is a great restart,*
 - *Who is missing from our meetings & how can we attract them – Oldtimers and newcomers, people willing to serve because they do not hear good things about Region; this is a natural reaction to the changes from the pandemic, we used to travel and hold Region in different places, extend our concerns to Area and people we have not heard from, make this a more welcoming environment for people to join, be open to and welcoming of new ideas, missing everyone on zoom, lack of unity & communication, mentoring teams could help heal the overwhelming burden of serving without earnest thanks, we over use our servants and they burn out, treat people in a loving supportive way, we need to follow through on the votes we decided,*
2. **"For our group purpose there is but one ultimate authority -a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern." Tradition 2**

WRSC July 2022 Minutes

23

Approved September 17, 2022

- *Do we hold some members to a higher standard than others* **don't know, but hope not, a different standard with old-timers, definitely anyone who has been here for a while,**
- *Do we treat more experienced trusted servants as if they have greater authority* **yes, yes we need team building, we respect what they know,**
- *Do we excuse behavior in some that we do not tolerate from others* **yes at times, there have been times that members were overwhelmed, YES, don't think so, the "cool kids" get away with more**
- *Does NA service stifle opposing viewpoints* **yes at times, yes some servants tend to stifle others, we always try to listen to each other,**

Break 10:40-10:55am

3. "The only requirement for membership is a desire to stop using." Tradition 3: Does this body make newcomers/new trusted servants feel welcome? Answered above

- How does our service body practice spiritual principles in our work and in our meetings **when personal motives do not get involved**
- How do we allow a loving Higher Power to guide our process and service efforts **leave egos out of decisions, rely on personal HP**

4. "In keeping with the spiritual nature of Narcotics Anonymous, our structure should always be one of service, never of government." Concept 12

- What is the difference between service and government **control, government controls and service is autonomous**
- What is it about NA's primary purpose and its spiritual identity that says, "our structure should always be one of service, never of government" **Higher Power, selflessness, proper motivation, stay clean, suggestions, carry the message,**
- What spiritual concepts are utilized in our service structure **all of the spiritual principles, honesty, willingness, sense of humor, gratitude,**
- Is your groups service structure one of service, or one of government **one of service**
