WRSC July 2013

RD Report

Dear Family,

This cycle has been very active. The June issue of NAWS News is out. The field testing phase of the Service System project is due to end this month. They are now considering what to put in the Conference Agenda Report. They said they would be putting in recommendations to approve and adopt the GSU/LSU portions. There will also be a transition plan in the CAT. NAWS is saying that the transition would be gradual, more of an evolution than a revolution. A lot of members do not like the term "unit". They are considering the terms "forum or conference".

On July 13, the Board hosted a webinar for all interested Delegates. After a 10 minute update and introduction, the floor was opened for questions. At one point, there were more than 80 participants, plus the BOD. NAWS still wants to eliminate Alternate delegates from the World Service Conference. When asked, the answer was that fewer people means better collaboration and better discussions. Their thinking for long term sustainability. They are also going to propose that NAWS stop funding delegates to the conference. Delegate funding may be available on an as needed basis. The Annual Report is also out now. It is 106 pages long, so I won't try to summarize it here. It is available for download on the NAWS website.

Chris, Harold and I have been discussing some proposals we would like to present at the WSC. We believe that a full and complete inventory should be conducted at NAWS. The last inventory was conducted in the mid 90's. This led to many changes, such as the standing committees being dissolved. Another was the creation of the Board itself. We wouldn't have enough time to discuss this and still get it into the CAR, but we would have enough time to have it ready for the Conference.

Another proposal would be to reduce the number of board members in proportion to a reduction of the size of the WSC. When a Board member completes 2 terms of service, they would simply not be replaced. The board maintains that the WSC is too U.S centric. Under the state, nation, province portion of the SSP, the number of US Regions could be greatly reduced. There are currently 18 WB members and 115 seated Regions. 9 of these Board members are from the U.S. The Board is full for the first time since its creation. In 2012 we elected 6 new Board members. The financial impact has been considerable. Details are on pages 57 through 69 of the Annual Report. As of the end of 2011, the total expenses were \$6,046,021. At the end of June 2012, the expenses rose to \$8,836,058. The World Convention cost over 2 million.

There are some interesting charts on pages 76 and 77. They detail the amount contributed by member groups. They detail the percentage of expenses covered by these contributions and the amount NAWS would need per meeting for Fellowship Services to be fully member supported.

The Iowa Region has contacted me about a multi-zonal service symposium. The proposal is an ambitious weekend from early Friday till Sunday noon. I am including the proposal, the tentative schedule, and a map with the minutes.

There is much more to discuss, and I'm sure you will have many questions. Thanks for letting me serve.
Love & Hugs, Bill O.

REGIONAL DELEGATE ALTERNATE: Absent with notice, submitted the following report which was read on the floor.

Greetings everyone,

I was not sure if I was to submit a report this cycle. I have been working with the immediate past RD and newly elected RD on the finer points of "RD-ism". There are many things happening as I'm sure the RD will touch upon. For me, it is mostly catching up on world based NA issues. There are many areas of contention occurring in NA today; The SSP, Delegate funding to the WSC and RDA attendance at the WSC just to name a few. I am shifting focus to look at these, and other issues affecting Narcotics Anonymous from a group, area and regional perspective to a broader world perspective. I look forward to these new responsibilities and my continuing to be of service to the fellowship of Narcotics Anonymous.

On a personal note, I am unable to attend this RSC. On July 15th I had hip replacement surgery. I fully plan on attending the RSC in September. I may not be here in person; however, I am here in spirit. I have grown to appreciate and love each and every one of you. Take care, see you soon.

In Loving Service,

Harold L.
Regional Delegate Alternate

WRSO REP.: **Position is now OPEN.** Appointed One Time Rep.
Absent with notice, submitted the following report which was read
on the floor.

Greetings everyone,

At the May RSC, I was appointed to take some concerns to the June 16, 2013 WRSO BOD meeting. The following were in attendance at that meeting:

WRSO Vice-president

WRSO Secretary

WRSO Treasurer/Office Manager

WRSO Representative (appointed)

2 NA members (non-WRSO) were also in attendance.

It was established that there was quorum. Reports were read by BOD Officers.

There was discussion about current WRSO financial practices. It was determined that for transparency purposes, the treasurer will make adjustments to the way spreadsheets are formatted. This will make the treasurers' report more "user" friendly.

The WRSO Treasurer has, on occasion, issued personal checks to WSO to pay for literature/merchandise. In the future, all WRSO "payables" will be through the WRSO checking account. The treasurer will also look into how the WRSO can secure a business credit card. The personal check that was returned as NSF has been corrected. It seems the bank was at fault and paid the NSF fees. In regards to an "audit" of WRSO financial records, the treasurer stated "when I am in town, the doors are open". The WRSC should contact the WRSO treasurer to finalize the logistics.

The WRSO picnic is moving forward. For more information on this event, check out the flier on the table. There will be food, fun and fellowship.

There will be a new WRSO order form available very soon (hopefully this cycle). There will now be a "literature" order form, and a "merchandise" order form. The old literature form has 9 different quantity discounts on various items. We will be given the discounted price on 7 of these items from the first dollar spent; the remaining 2 items will remain quantity discounts. A separate form will be used to order merchandise. If available, please review these new order forms. There should be someone at this RSC who can answer any questions.

The WRSO will be adding 2 T-shirts to their inventory. They are: "*Eat Cheese, Drink Milk and read the Basic Text*" and "*Hug a Miracle – Hug Me*". The designs are in the final stages and will be available soon.

I gave the Office Manager a CD containing the WRSC Guidelines and a template for WRSO By-laws. The WRSO now has the means to reference the WRSC Guidelines when policy/procedure issues arise. Hopefully, the By-laws template may help the WRSO move forward in the revision of current By-laws.

Finally, I talked with the WRSO Secretary about concerns raised at the May RSC regarding this individual having relapsed. I asked the WRSO Secretary 2 questions.

1. What is your clean date? Without any hesitation, April 16, 2011.
2. Did you relapse? No, absolutely not.

I strongly suggest that in the future, any allegations made toward anyone not be from “word of mouth” or “second hand” information. If you believe someone is a “reliable” source, have them come before the WRSC and give us all the opportunity to hear what may have happened. “Hear-say” and “rumors” are 2 of the most destructive things a person can do to harm another person. This has no place in the WRSC and Narcotics Anonymous as a whole. If this happens in the future, the unsubstantiated statement(s) should immediately be dismissed without merit.

I believe that I have fulfilled the tasks assigned to me by the WRSC. We need to elect someone to continue being the important conduit of information between the WRSC & WRSO.

In Loving Service,
WRSO Representative (appointed)

carljkrusa@gmail.com

KETTLE MORAINÉ: Present, read her report on the floor.

I'm Mandy and I'm an addict. I am a new RCM for KMA. I was serving as our areas vice-chair, but the area made a nomination, which I accepted, for me to serve as RCM. I am happy to be here and I look forward to making a contribution to region and building strong recovery relationships. Service work has been and continues to be an important and valuable part of my recovery and my journey overall.

KMA doesn't have any concerns to report this cycle. Our groups seem to be doing well offering a positive atmosphere of recovery and enjoying good attendance. In fact, there is a new group starting up on Monday mornings in Manitowoc. That will bring the number of groups in our area (which consists of Manitowoc and Sheboygan) to 13 meetings, 11 of which are in "active" status. (2-Sunday; 2-Monday; 2-Tuesday; 2-Wednesday; 3-Thursday [2 inactive]; 1-Friday; 1-Saturday)

I did not bring a donation to region with me this time, because I wasn't able to connect with our area treasurer prior to the region meeting. At our next area, I will find out whether the area wishes to mail its donation or hold it and bring it to region in September.

Our last function was the Never Alone in the Woods Campout which was successful. Our next function is Unity Jam which is a campout being held August 2nd, 3rd and 4th at Camp Y-Koda in Sheboygan. I didn't bring any fliers with me today, but if anyone needs or wants fliers, please let me know and I can either email one to you for printing or I can snail mail some to your area. KMA invites you all to come on out and enjoy some roasted corn with us! One announcement about Unity Jam – we had previously booked Anonymous Angels as our Saturday Night band. They have since cancelled, however. Any fliers that are out there still have Anonymous Angels on them. If there are fliers at your groups, if you could make a brief announcement that the band has cancelled, that would be helpful to the area.

N E W RCM was unable to attend this cycle and asked me to bring fliers for their area events. Those are

available on the table for your taking.

That's all I have for this cycle. In loving service, Mandy R.

A question was asked about the dates for the next Region, discussed the next Regional date & time.

A proposal to wave the guidelines to hold the September Region meeting to September 21 & 22, 2013 instead of September 14 & 15th, seconded. Discussed this proposal, voted, 2 stand asides, Facilitator declared that proposal passed. **SEE THE FLYER ATTACHED TO THIS E-MAIL.**

MILWAUKEE: Read his report on the floor, no report submitted to the Secretary

NORTH CENTRAL: Present, read his report on the floor.

Hello Family, It's good to be here. I hope everyone is having a good, safe summer. All is well in our area. We had are function Jam Fest in June and it was a big success. Steve S. and his subcommittee of John R. are kicking butt. The last few functions have been outstanding financially. It has allowed us to donate 40 soft cover basic text, 20 to the portage county jail and 20 to the Marathon county jail.

Speaking of functions we have are annual "Fun In The Sun" function coming up on Aug 10th at Lake arrow head. I have flyers with me please take some and we look forward to seeing you there.

We have a donation of \$335.61 this cycle.

Thanks,

NORTHEAST: Absent, no report submitted.

ROCK RIVER: Read his report on the floor.

Elections were held at the beginning of July. I was elected for another term as RCM. Rich H. was elected as my alternate. All positions were filled. Donation to Region is \$112.84.

Upcoming events are the Annual RRAGS picnic August 3, 2013 and the Spiritual Retreat August 23, 24, 25, 2013.

SCENIC BLUFFS: Present, read her report on the floor.

Hi Family,

I am Elizabeth and I am an addict. Scenic Bluffs alive and moving forward. We currently have 5 groups and 10 meetings and various positions that are needing to be filled. We are in the process of changing policy & mentoring people in service. We do have a few issues of building stronger home groups, understand service and what it in tails, nurturing newcomers and our big issues are Disruptive behaviors. Our Area is seeking guidance on these issues. The disruptive behavior is our strongest need because it is causing newcomers to leave as well as regular members, detention and issues with our treatment centers. Thanks for the ability to serve, Elizabeth S.

SOUTHEAST FAMILY: Read his report on the floor.

Good morning family, addict named Victor.

I am grateful to be of here. Our area is maintaining... we are still falling short with regards to filling all service positions. We do have several addicts that have been around for a while to step up and begin

learning new service positions at Area. We have a couple flyers for events that are coming up, one being sponsored by our Racine groups, "Droppin' Da Bomb 16", on Oct. 12th, and our 1st Area Speaker thon on Sep. 21st. We have had requests for Regional mtg. lists and I hope to take some back with me.

Unfortunately, we do not have a donation this month and I am unwilling to project when we will, but we will when we can.

We would like to have someone come out and do a workshop on the NASSP, with maybe a sprinkling of wisdom regarding the USSC. We voted at Area to try and have this done at our Sep. ASC, but we are flexible.

On a side note, I tried to reserve a room for this weekend and was only able to get one for last night. Nothing was available for tonight. But, we will be staying at a campsite with some friends tonight, so all is well. In service, Victor H. SEFA RCMS

UPPER PENINSALA: Present, read her report on the floor.

Hi Family,

Greetings from the U.P., our most exciting news today is our 2nd annual Keep It Simple campout is next weekend. The campout is at Otter Lake Campground near Munising MI. The flyer is on the regional website if anyone is interested, it should be a good time. We fully expect the weather to be awesome, so it should be a good time. We are hanging in there with 5 meetings a week right in Marquette, 1 in Gwinn and the other meetings on our roll call have not participated in quite a while. So we are still meeting quorum with 2 GSR's present at area.

One of our members created a basic website the address is upnasite.org It still needs to be worked on but it's a start so that is exciting.

With very few members and little support our ASC is almost broke. We have just a little over \$200 in our treasury. We are cutting back on our literature stock and lowering the amount that we will have in stock and just keep the bare minimum for groups to come to area and purchase literature. We also have a suitcase full of shirts that we have made over the last couple of years that we can't sell because very few in the area are supportive. So I have with me today a suitcase full of shirts that I would like to sell today, tonight and tomorrow if nobody has a problem with me doing that. All shirts are at a discount price of \$10 each. These shirts are doing us no good sitting in a tote in my basement.

We are lowering our working reserve for the activities subcommittee, so some of that has already gone back into our treasury. We are down to about 3 functions a year with the campout hopefully being the biggest one. So I hope to see you all next weekend at Otter Lake Campground in Munising.

We did have a member volunteer to do Outreach so we are looking forward to getting started to reach out to groups that are not participating.

In Loving Service, Lynn D.

WOCA: Read his report on the floor.

Good day to all from the W.O.C.A .Area, and thank you to Scenic bluffs for hosting the WRSC this cycle.

We are having the summer lull of meeting attendance; they are down to about half of what they were during the Spring.

However the area is doing well, we are making another run at getting meetings started at the jails in our area.

The annual Piggin Out Pig Roast and Pot Luck is scheduled for August 10th at Jansen Family Park in West Bend starting at 4:00 and a speaker at 7:00.

Our area is having more and more addicts at meetings while being under the influence of the wonder drug Suboxone, nodding, slurred speech etc. It reminds some of us dinosaurs of the Methadone clinic days, just wondering if other are having this same issue.

We will not be supporting the creation of a WRSC Rep. to the USSC, we feel that is redundant since we have a RD and RDA also individuals seated at the WRSC who are in an official capacity at the USSC.

Thank You, Lee K. WOCA RCM

WOODS & WATERS: Read his report on the floor.

Hello Family,

Glad to be here with you all, thank you Scenic Bluffs for hosting this cycle. Woods & Waters is doing better, we had Picnic in the Park in June with good group representation. We filled Chair positions with Vince K., Policy with Randy S., RCM Rodney W., RCMA Brian J. and outreach Carl A.

Journey's Convention was a huge success with us preparing to have over 125 workshops next year including a 4th pontoon boat.

Our next function is Labor Day campout in Waters Meet MI at Marion Lake.

H& I and PR are doing well and we are looking forward to some more growth in our Area. In loving service, Rodney W., RCM WWASC

Break at 12:08 pm

Reconvened at 1:30 pm
