BIG RIVERS:

Present, gave the following report.

Good Morning, everyone,

Things have been going ok in Big Rivers. At the last ASC, we had been taking steps to follow through with an Area inventory. This was talked about further, with much confirmation that the proposed changes were a good idea. However, there was no action taken to enact any portion of this much lauded suggestion. Also, there had also been some talk of dissolving the Activities Subcommittee, because there has been a minimal amount of participation in this branch of Area service, moving any Area Activities to a project basis. This was an educated decision that the most active members at the Area-level had discussed and widely agreed would benefit those involved in this particular area of service. There has been very little assistance offered to the previous several Activities chairs with these trusted servants stepping down from this position burnt out, so the thought was, make activities coordination into a work-group based service commitment, eliminating the need for a year-long service commitment by one individual with the necessity to oversee all "Area" activities. This decision was staunchly opposed by a couple individuals that randomly show up once in a blue moon to voice their conscience. In addition to the Activities Subcommittee, there are many open service positions at the Area level. Otherwise, basic services have been maintained, and groups seem to be doing well, even though the Area itself has been struggling.

In lieu of an active Activities Subcommittee, a group in the Area has chosen to put on a New Years Eve event. A date for this event has yet to be determined (just kidding), and as of yet a flier has not been published.

Lastly, on a personal note, this will be my last cycle as RCM for Big Rivers, although a successor has been nominated. This may perhaps be a blessing in disguise. I have responsibilities outside of Narcotics Anonymous service which will be evolving starting in January, and I feel that perhaps it is best if I consolidate my service efforts at the local and area levels. Thank so much for being so welcoming over the past two years and for allowing me to be a part of Regional Service.

In loving service,

Drew D-S

CHIPPEWA VALLEY:

Present, gave the following report on the floor.

Good Morning Everyone,

It's good to be back in my hometown. Thanks to the Milwaukee Area for hosting this conference.

The Chippewa Valley is doing well in some regards and not well in others.

The good news first. We currently have 22 active meetings and are continuing to grow. We have meetings going on in Rice Lake, Cadott, Chippewa Falls, Eau Claire, Black River Falls and Menomonie. We have seen the biggest growth in Menomonie in recent months.

Our activities committee organized a very successful learning day and chili cook-off on October 25th. H & I and PI were the featured panels. This event was attended by about 30 addicts with a number of those being from other areas.

Our next event will be a Gratitude and Unity event on Thanksgiving Day. Turkey, ham and all the traditional fixings will be served. Dinner will be at 5 followed by a speaker. Please join us for food and fellowship at the First Baptist Church located at 416 Niagara Street in Eau Claire.

Our treasury is solvent with a balance of \$759.

On the downside, our area service committee has a number of key open positions. The area chair position is vacant as the chairperson recently resigned without serving out his term. Also vacant are the subcommittee chairs of H& I, Outreach and Policy.

At our December area service meeting on December 6th, we will be suspending some normal business to have an open discussion and area inventory. Our focus likely will be building unity and bringing a higher level of spirituality to service.

In service to Narcotics Anonymous

INLAND LAKES:

Present, gave the following report on the floor.

Hello Family,

ILUA is doing well. I re-enlightened the GSR's in regard to registration on the USSCNA web site. We has some confusion as several years ago all of our groups completed a paper registration so everyone though they were registered. I do not know how to check registered groups but know that groups reported at our last area they had registered or were in the process of doing so. There are 25 groups in ILUA, so this should be reflected soon.

We have the following functions coming up:

New Year's Eve Speaker Dance. December 31, 2014 First English Lutheran Church Oshkosh, WI., doors open at 6:00 pm. Speaker at 7:00 pm. Sloppy Joes and Chips for Sale. Bring a dish to pass. Dance to follow.

January 1, 2015 – Polar Plunge Sheboygan, WI Plunge @ noon.

Saturday January 10 – Superheroes of Recovery Genesis Club in Appleton, WI There is NO town on the Flyer I brought today, but the one for the website will be right.

Spiritual Retreat April 2-5. Camp YuNaLiYa Suring, WI

Please support our functions!

We will be selling blankets for \$10.00 and out of stock spiritual retreat t-shirts for \$5.00 in order to clear our merchandise and get in new stock. Our merchandise chairs does a GREAT job and his enthusiasm has been well received.

Our H & I committee reported we will be able to purchase 29 Basic Texts to be placed in our ILUA facilitates. We are holding 11 H & I meetings currently. We are pending with 2 new facility meeting and 1 more facility that may allow us back in. We have an active H & I committee.

Thanks to everyone who attended the Halloween function. There was a \$359.50 donation made to area.

We appreciate all who attended and hope to see you at future functions.

We approved a motion to put in a bid for ILUA to host WSNAC in 2017. More will be revealed!

We had calls to our hotline and all request were filled.

We have most our positions filled and have a very active body of participants.

The last thing that has been happening is that we are updating all our policy and procedure's in blocks of changes. We approved block 1 and will be presented with block 2 at December. I am told there could be as many a 4 total blocks. We have a good Policy Chair keeping all of this going.

In loving Service, dezzz G.

Scenic Bluffs Area Service meetings are growing. We now have most of our positions filled. The only positions we have open are vice-chair, literature, and rcn.

We have our Cold Turkey function coming up on November 29th. This will be held in Mazomanie at the community center at 9 Broad St. Doors open at noon for fellowship. We are working with WSNAC for a function in January when Region is held at Chula Vista in Wisconsin Dells. As soon as everything is ironed out we will get a flyer to the webservants and secretary. There will also be one posted on the WSNAC site. If there are any questions about why the flyer isn't out please call Larry from WSNAC.

We are slowly moving forward and developing a website for Scenic Bluffs. We do have an ad hoc committee formed that will be meeting this coming week.

We were recently able to donate 2 Basic Texts to the Sauk County Jail.

We are getting ready to do a mass PR informational email to all facilities in our area.

This is my last region as RCM-A for Scenic Bluffs. They have asked me to consider becoming RCM for the next year. I will see you all next cycle as it is in my area. Just a question about the recovery meeting that Saturday, do we need someone to chair that meeting since it is WSNAC hosting site?

Shannon M

SOUTHEAST FAMILY:

Present, gave the following report on the floor.

Saturday, November 15, 2014 Morning Family, grateful addict named Victor. I'd like to thank MWASC for hosting this cycle. I was unable to attend last cycle, but thank you Nancy for including me in the mailing of the minutes.

We held elections this month and had what appears to be some positive changes going into the New Year. Our new Chair has indicated a desire to formerly implement using the Area inventory tool to try and figure out how we can better serve the groups and the communities we serve. As part of the process, if there are RCMs present that would be willing to send me a copy of their Area policies, please try and connect with me at some point during this cycle. We would use them to perhaps get a better picture of where we are and what other Areas are doing and how. This is about to get interesting.

We had a table set up for the 1st Annual Recovery Rally in Kenosha. They showcased a number of people that have a past with addiction who expressed gratitude for different fellowships impact on their lives. Overall it was an uplifting event and many members of our Area have committed to participate in the next Rally.

While visiting in Minnesota, one of our members was introduced to what appears to be a state-wide project called Bridging the Gap. We discussed this at Area and thought it might be something that could be implemented at the Regional level. If you like, I can read the information that I have or we can put it on the topic board. At this point, we are waiting to see what action(s) this body deems appropriate. If no action is taken, we will attempt to do something on a smaller scale in our Area. Also, our H&I chair sends a message that she is desperate for meeting lists, if they are available.

I have also submitted \$100.00 donation to the WRSC.

Thanks, In loving service, Victor H. SEFA RCM

WOODS & WATERS:

Present, gave the following report on the floor.

Hello family,

During the last cycle we had our clean and freaky function in Lake Tomahawk, which was a huge success. There were about 150 addicts who attended this function from all over the state. Our next function is New Year's Eve at the hope center in Rhinelander WI. There are flyers here and the location is on them. We also have our valentines function and Spiritual retreat flyers up on the Regional web site.

Our ASC has been growing in the last couple of cycles we recently filled the Policy, Literature and have a working PR subcommittee. There is a good mix of old timers and new comers getting involved at the area level. We still have open positions; vice treasurer, H * & I and PR. Our Activities and merchandise chair has had luck finding a vendor for function and hopefully area shirts which is exciting to see. Journeys subcommittee would like to ask if you are interested in being a speaker for this year's Journeys to please submit a speaker tape.

Our Outreach and the PR subcommittees have been working to get the meeting list updated and we should have that figured out by January. Our website will be updated with that information when it gets approved.

In loving service, Carl. A.

Please read the attached Traditions e-mail, share it with your Area's and Groups and get your response to Carl K. cjkna@outlook.com. Or bring them to the January Regional meeting in Wisconsin Dells January 17 & 18, 2015. Review and input ends January 31, 2015.

SUBCOMMITTEE / ADHOC REPORTS:**ACTIVITIES:**

Present gave his report on the floor. No report submitted.

The chair asked Area's for Dates for their Area's functions. He is looking to do a function in the central part of the state, also looking into selling merchandise.

HOSPITALS & INSTITUTION:

Present, read the following report on the floor.

Hello family,

As a newly elected H & I Chair of region, my first order of business is to build a listing of what facilities the areas with WRSC are currently going into. I am putting together a map that will show what the current H & I meetings are happening.

For now, please have your H & I committee chairs e-mail me with a list of the facilities your areas are currently serving. My email is basicdez@hotmail.com. Please do not use the regional e-mail address as these emails are not working.

Great job to WSNAC for putting together the presentation to professionals. I attended WSNAC and had an in-depth talk with the now EauClaire Correctional Center newly hired Ward who was Most interested in getting NA started at this facility. I was able to connect him with the current Chippewa Valley PR Chair who committed to helping to get this started. I have not heard anything further.

Upon arrival here today I was alerted to an email thread regarding H & I at the St Croix County Jail. I will be addressing this when I get to my computer at home. I would ask that the RCM's present Please bring back to your area that I am here and will answer questions and offer regional support where appropriate. Jennifer and I were able to do a joint H & I/PR workshop at WSNAC. It was attended by interested participants and although the numbers were low, I felt the interest was high!

Please spread the word March is set for the H & I focus of region. There is a plan to have an event that wants to bring together H & I chair and subcommittee members. We will be going through several different aspects of H & I subcommittee and service. Preview we may be using SKYPE for part of this focus presentation as in all things "More Will Be Revealed".

I also will be presenting in January a Vice-Chair for this subcommittee. This is exciting as I have a strong belief in working in teams and ensuring that future chairs are presented by existing subcommittees which removes service disasters as we see all the time.

Thanks to Milwaukee Area for hosting this regional.

I look forward to watching this regional H & I grow and come together. I also hope to present t-shirts and/or pins as a possible fundraiser to help place Basic Texts into institutions.

I will be submitting a budget maybe tomorrow, maybe January.

In loving service, dezzz G.

LITERATURE:

Present read the following report on the floor.

First, I'd like to thank Milwaukee/Waukesha Area Service Committee for hosting WRSC. Here is your Literature Sub-committee report:

1 I sent to each of you, a copy of the draft of Tradition 1 that has been released by NAWWS. At this cycle's Saturday Roundtable, I will be getting input from all of you on the proposed draft. I would like to forward this input as a collaboration of WRSC to NAWWS. Please let me know if you we not emailed a copy.

2 Thank you to Dezz for holding the literature workshop at WSNAC as I couldn't attend due to a scheduling conflict. Dezz reported that she didn't receive much input at that time however; she indicated that several people were going to send feedback directly to NAWWS.

3 Due to illness in my family, I have not started on the SP that this body charged me to create last cycle on NA identity and Tradition 6. I will be starting this project soon and hope to have a draft for you prior to next cycle

Thank you for allowing me to serve,

POLICY:

Present read the following report on the floor.

Budgets due in January.

Review your subcommittee guidelines – any changes need to be made soon in order to get in new printing of policy.

PUBLIC RELATIONS:

Present read the following report on the floor.

Public Relations Jennifer M.

Hi all, it has been a very busy cycle, and it being wood season did not help. I attended WSNAC Public Information session with the professionals. I felt it went well, we also had our H & I chair Dez there. We got some feedback the most startling bit of information was there was a lady that works with potential members since 1988 and has not heard of Narcotic Anonymous. So it is obvious that we need to get more information out to the public. I also attended the Regional Workshop and we hopefully enlighten some addicts on the do's and don'ts of public information and Dez informed them of the ins and outs of H & I. I am also still trying to get some things worked out with the web page and need to have some time to work on some phone line issues which makes me wonder why we no longer have work days on Saturday there are so many things that could and need to be done for Public Relations and I can't imagine that it would be helpful for any committee. I am struggling getting an email address that can be forwarded to my email address for several reason are being if that I do not think it would be very professional to have a professional sending something to jensnitemare. So hopefully we can work that out. Through the web page otherwise I will just go set one up on my own. Also I have some frustration on the follow up from the WSNAC workshop with professionals hopefully I have some time in the next couple of weeks to get this resolved. Also I'm thinking I would like to get together with the seb servant Carl to work some of these things worked out and curious to whether this travel expense would be covered under the PR budget since we live on opposite ends of the state. Also I have leaned some information on the program the world uses for meeting list and plan on going over it with Carl to see if it would work for the Region. Also I plan to get a new meeting list printed up soon as the PR chair and the H & I chair did not have any for the WSNAC presentation to professionals & need to be reimbursed for the copies I had made. So I request the **????(couldn't read)**

RSM's either have the PR chairs get one an accurate meeting list by December 15th, they can either e-mail me at jensnitemare@hotmail.com or mail it to me Jennifer Meeker (see contact list).

Question do I have to use Quad Graphics for meeting list or can I check other printers prices?

\$31.65 meeting list copies

\$6.33 for copies

Update we print outs for each area for updates to meeting list we would also know which counties are

with the area you serve and when your area meets and when your area meets.

Tot a email on an annual online resource update process I am not sure what to do with this because of the restraints it is asking about some meeting dates and times I have to look into a little more because if it is a specific area that this is for maybe it is best for them to have that areas contact information.

Also I attend the EauClare PI/H & I learning day mostly informal learning about PR & H & I
